IMPORTANT NOTICE

WATER CONSERVATION NOTICE for VILLAGE of SAYWARD

Recent heavy rains in the last 24 hours have resulted in high water flows in Newcastle Creek causing high turbidity.

Consequently, Sayward's Water Treatment Plant is currently off-line until the turbidity levels decrease to a level where drinking water production can resume.

While the Water Treatment Plant is off-line, we need everyone in the Village of Sayward to conserve water by limiting water usage to essentials only (i.e. water to drink, basic sanitation and cooking).

We hope this situation will be short-term and that the water treatment plant will be running again within 24-36 hours.

We thank you for your understanding and cooperation.

Andrew Young, MCIP, RPP
Chief Administrative Officer
Village of Sayward

Sayward Village Office, 652 H'Kusam Way, PO Box 29, Sayward BC, V0P1R0
Phone: 250-282-5512 email: village@saywardvalley.ca

The Village of Sayward respectfully acknowledges that the land we gather on is on the unceded territory of the K'omoks First Nation, the traditional keepers of this land.
