Alertable Emergency Phone Notification System

The Village of Sayward in conjunction with the Strathcona Regional District uses **Alertable** as our public emergency mass notification service.

Alertable can notify residents, visitors, and businesses of emergencies in a timely manner to people who subscribe to receive these alerts. It can also be used to notify residents of other non-emergency items such as scheduled road closures, power outages, water and sewer alerts, and much more. This service is free.

The system is compatible with mobile phones, tablets, computers or smart speakers. It can also send alerts via text message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village website here: https://www.sayward.ca/municipal-services/emergency-services/alertsnotifications

NOTICE OF ALTERNATIVE APPROVAL PROCESS

BYLAWS NO. 512 AND 515

REGIONAL HOUSING SERVICE

Public notice is hereby given that the Board of Directors for the Strathcona Regional District may proceed with final passage and adoption of Bylaw No. 512, being Regional Housing Service Establishing Bylaw 2023 and Bylaw No. 515, being Regional Housing Loan Authorization Bylaw 2023, at its meeting of Wednesday, January 24, 2024 unless at least 10% of the eligible electors within the Strathcona Regional District submit elector response forms not later than 12:00 noon on Tuesday, January 2, 2024.

Bylaw No. 512 would establish a service to address solutions for workforce housing, seniors housing, affordable housing and other housing challenges in the region either directly or in partnership with other entities such as housing societies. Bylaw No. 515 would authorize the Regional District to borrow up to $10,000,000 as necessary for the above purposes with the debt to be repaid over a period not exceeding 30 years.

The number of eligible electors within the boundaries of the Strathcona Regional District has been fairly determined to be 34,551 and the number of valid elector responses required to prevent the adoption of Bylaws No. 512 and 515 without first obtaining the assent of the electors by voting is 3,456. Elector response forms must be in the form approved by the Regional Board and may be obtained online at www.srd.ca/regional-housing-aap or in person at the Regional District office during regular office hours. Only persons who qualify as electors within the Strathcona Regional District are entitled to sign and submit an elector response form.

Further information regarding Bylaws No. 512 and 515 or this alternative approval process may be obtained at www.srd.ca/regional-housing-aap or by contacting the Regional District.

Village of Sayward

The CoConspirators
in Concert
Sunday, January 14 @ 7:00
At the Kelsey Centre

SVFMS in collaboration with Sayward Futures and the Village of Sayward begins its eighth season of concerts on January 14.
For our first concert of 2024 we are pleased to feature, from Hemmingfield, Quebec, the CoConspirators. This well-known Eastern Canadian folk duo include in their repertoire, elements of country, rock, blues, gospel, bluegrass, and roots music. With heavy emphasis on vocal harmonies, the CoConspirators have been compared to the Weavers, Ian & Sylvia, and Richard and Linda Thomas.
Everyone is invited to attend and enjoy an evening of unforgettable music.
Advance tickets to this concert are $20 per person. Admission at the door is $25.00. Children 16 and under are admitted free when accompanied by an adult.
Tickets are available at the Fisherboy Store and the Village Office.
Annual memberships are now available. Individual memberships are $100 for the year. Family memberships (up to four people) are $200 for the year. This will entitle members to admission to all SVFMS concerts in 2024. Memberships will be available at the door the night of the concert.
We wish to thank those who have attended our concerts and shown continued support for the work that we do to put these shows together. This includes our volunteers and the Sayward Village Council, without whom these events would not be possible.
If anyone has questions regarding our upcoming concerts, if you wish to become a volunteer or would like to host our future performers, please let me know.
