The Seventh Annual Sayward Valley Show & Shine takes place on Saturday August 24th at the Sayward Valley Resort . This year's display of outstanding cars, trucks and bikes will be held from 10am to 3pm. Sayward Valley Resort Owners Frank and Faye Morgan got the idea to start up the Show & Shine after so many people noticed and remarked on their classic Peterbilt truck that is often seen in the front parking area. When Frank is not busy with the resort or duties as Sayward's Fire Chief , he is an automobile enthusiast and continues to share his passion by hosting this great annual event. People come from all over Vancouver Island to participate. This years event also features Bingo in the park, BBQ and of course the drive by which begins around 3:30 and will tour to Sayward and back to the Sayward Valley Resort.

Reminder: Fireworks are Prohibited

Reminder to Village of Sayward Residents: Fireworks Regulation Bylaw No. 481, 2022 is in effect and will be enforced at all times.

Please note: *"No individual shall explode, light, activate, fire or discharge Fireworks within the boundaries of the Village unless that individual is authorized to do so under a valid Fireworks Permit issued under this Bylaw."*

Anyone who lights, fuels or uses an open fire when a fire prohibition is in place **or fails to comply with an open fire prohibition** may be issued a ticket in accordance to the Village of Sayward Ticketing Bylaw or, if convicted in court, be fined up to $100,000 and/or sentenced to one year in jail. If the contravention causes or contributes to a wildfire, the person responsible may be subject to a penalty of up to $100,000 and ordered to pay all firefighting and associated costs.

Garden Club News

The sizzling mid-summer temperatures have been a challenge for gardeners who have to get their garden tasks done in the morning and evening. For those with sandy soil watering can be a daily challenge but if you have clay based soil you can try deeper watering as the water will not drain away. Mulching with grass clippings and or chips will slow down evaporation.

The compost pile does well in the hot weather but also needs watering and covering to avoid evaporation. Keeping the compost damp but not soggy will promote rapid bacterial action. If you turn over the pile every week or two will give you finished compost in six weeks. Turn the outside of the pile to the inside and the inside to the outside.

The club is doing its best to keep up with watering the planters at the mailboxes but needs some help from others by bringing a gallon jug of water when you go to pick up your mail.

The Garden Club will resume meeting in September and we hope you will join us then. 'Till then, happy gardening!

Alertable Emergency Phone Notification System

The Village of Sayward in conjunction with the Strathcona Regional District uses **Alertable** as our public emergency mass notification service.

Alertable can notify residents, visitors, and businesses of emergencies in a timely manner to people who subscribe to receive these alerts. It can also be used to notify residents of other non-emergency items such as scheduled road closures, power outages, water and sewer alerts, and much more. This service is free.

The system is compatible with mobile phones, tablets, computers or smart speakers. It can also send alerts via text message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village website here: https://www.sayward.ca/municipal-services/emergency-services/alertsnotifications

Expedia Cruises
Air, Land & Sea Vacations

Why book with a travel agent?

1) Expedia Cruises and travel Vacation Consultants are experts in booking highly, personalized and tailored travel experiences to help you plan your dream vacation completely worry-free.
2) Save time and money. Not only are travel agents able to secure the best possible rates but they eliminate the stress that comes along with vacation planning.
3) They have your back. When things go wrong, a travel professional knows who to call to get it fixed on the spot. Whether your flight is canceled, or the wrong room was booked, one phone call will get it fixed.

Sayward Clinic Corner

Sayward Primary Healthcare Clinic

NP Tracey Payne would like to thank everyone for being so understanding with the scheduling adjustments in the first to weeks of July. Tracey and family also appreciated all the messages of condolence that were sent.

We are still having some trouble getting the lab technician from Campbell River here on a consistent basis. This is due to the staffing issues they are having at the hospital. We appreciate your understanding when Tracey has to be pulled from seeing patients, to doing the lab day in Sayward. Just a friendly reminder that when Tracey is doing labs, she is not able to accommodate other requests during that time, such as medication renewals or injections. Patients are scheduled in very quick succession and all the lab samples have to be processed in specific time frames and ready for the courier in the afternoon. Island Health is looking at trying to find some other solutions as well to help cover our lab days.

Kyuquot-Nootka / Sayward News
Strathcona Regional District (Area 'A')

New Services Initiatives

I have not published a Director's Report for quite a while since no new business affecting the Sayward Valley has been approved since my last newsletter. However, three outstanding new service initiatives that I reported on before are still under consideration by the Board. These are:

(1) the expansion of the Strathcona Gardens service area which would force the Village and Valley to help pay for this Campbell River/Area D facility.

(2) a Regional Transportation Service which would have us help pay for one bus line between Fair Harbour, Zeballos and Campbell River; and another line between Tahsis, Gold River and Campbell River.

(3) and a Regional Recreation Service that would make us help pay for every recreation facility in the entire Strathcona Regional District.

None of these have yet been presented to the Board for a final vote. They are all initiated by the municipalities who want to reduce their costs at our expense, and I am opposed to them.

Bird Scare Devices

The Regional District has adopted a bylaw to regulate the noise in Area A created by bird scare devices, such as propane cannons. Briefly, these regulations state that: No person or owner or occupier of real property shall use a Bird Scare Device which unduly disturbs the quiet, peace, rest, enjoyment, comfort or convenience of the neighbourhood or a person in the vicinity, or which contravenes normal farm practice as defined in the Farm Practices Protection (Right to Farm) Act.

In addition to the above, the operation of a Bird Scare Device is not permitted:

- between 12:00 noon and 3:00 p.m. and between 5:00 p.m. and 9:00 a.m.
- unless its operation is strictly necessary in the circumstances, and
- unless it is the only Bird Scare Device operated at any one time on any one farm.
- may not be used within 200 metres of any adjacent dwelling unit,
- must not be fired more than once in any 30 minute period, and
- must be pointed away from any adjacent dwelling units, horse farms and horse trails.

To lodge a complaint regarding a violation of these rules, phone the Regional District office at 250-830-6700.

The Strathcona regional district has 48,000 residents within four electoral areas (the Sayward Valley - Area A, Cortes Is. - Area B, Quadra Is. - Area C, and Oyster Bay - Area D); a treaty First Nation (Kyuquot); and five member municipalities (Tahsis, Gold River, Campbell River, Sayward, & Zeballos). We each have one vote at the board table, except for Campbell River which has five directors and therefore five votes. This totals fourteen directors.

I have had the privilege of being your director since 2008 when the Strathcona Regional District was first created, and very much enjoy representing your interests at the Board table. If you have any questions on these or any other issues, please do not hesitate to contact me. My door is always open.

Gerald Whalley, Regional Director (Area 'A')
Phone: 250-282-3787, gwhalley@srd.ca

Emergency Preparedness Corner

Village of Sayward

Earthquake Preparedness Reminders -

Drop, Cover and Hold On

When you feel the ground shake or receive an alert, immediately:

1. **Drop** to your hands and knees. If you're inside, stay inside – don't run outdoors or to other rooms
2. **Cover** your head and neck with your arm and take shelter under a sturdy piece of furniture. If there is no shelter nearby, crawl to the nearest interior corner or wall while continuing to protect your head and neck

Hold On to your shelter, covering your head and neck until the shaking stops

To be better prepared in your home-

Secure cabinets and large furniture. Remove pictures and mirrors away from beds and couches.

Build an Emergency Kit with at least 2 weeks of supplies to keep you and your loved ones comfortable and safe.

The hottest part of our year is here -

FireSmart is a great program to help you protect your home. If you would like to book your free FireSmart Home Assessment, please contact the SRD's Wildfire Risk Reduction coordinator at www.srd.ca or 250-914-9234

Category 1 campfires, Category 2 and Category 3 open fires are prohibited throughout the province.

Report a wildfire:
1-800-663-5555 or *5555 on a cell

The Sayward Neighbourhood Emergency Preparedness Program (NEPP) updates:

Your EPC had previously been posting occasional emergency preparedness tips on the Around Sayward Face Book page as part of a virtual support for key aspects of the Neighbourhood Emergency Preparedness program however other avenues of communication are now being looked at as an alternative to that platform.

Emergency Preparedness Corner

Village of Sayward

Other general reminders:

-- ESS - To learn about becoming an (ESS) Volunteer, email your Emergency Program Coordinator at epc@saywardvalley.ca and I will email you a PowerPoint presentation with more information for your potential consideration of this opportunity. Don't forget the new online one day course as mentioned above for those that prefer that type of program as it is designed to get many more people skilled in this area of potential help.

-- WALKIE TALKIE WEDNESDAYS - Sayward Walkie Talkie Wednesday – 6:30PM to 7:00PM each Wednesday. Continue to test your Walkie Talkie radio on channel 4 in that time slot and see who you can connect with. Thanks to all those who have 'Walked on over to Walkie Talkie ' radio ownership and use as another took in their emergency preparedness.

-- HAM RADIO OPERATORS – FYI – The Sayward EOC has a call sign of VA7 SRU and makes every effort to participate in the EMCR Wed Evening net that starts at 7:15PM on each Wednesday on the Island Trunk System. After EOCs (Emergency Operation Centre) from Vancouver Island have checked in then check ins are taken by the Net Controller from all other HAMs by regional area from North to South. Sayward EOC hopes to hear you on the net at sometime and thanks for your radio skills as always.

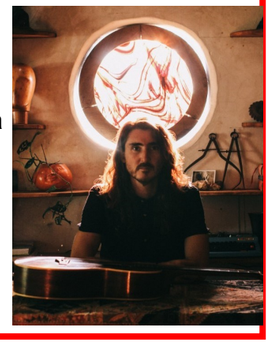

Also – The BC Public Services Net is another good net available to all HAMS and EOC operators and covers an even larger area of Net participants. The Sayward EOC makes every effort to participate in this Net also on Wednesday nights.

Have a Safe Summer !

Sayward Valley Folk Music Society News

Ian Skorscha in Concert Sunday August 11 @ 7:00

Ian Skorscha has spent the past 10 years performing in concerts from the tip of Argentina to the northern reaches of Canada. A nomad musician from Patagonia,
Ian's musical performances are influenced by Latin and Folk rhythms which contribute to his personal style. Ian sings in Spanish but engages his non- speaking Spanish audiences with storytelling in English. His stories take us on a journey along his paths, creating bridges between all of the Americas.
Ian has just finished recording music for his new album "Lilah" in Argentina. It can be heard on Spotify and on *bandcamp.com*
Please join us for an evening of fine music, refreshment, and good friends.
Advance tickets to this concert are $20 per person. Admission at the door is $25.00. Children 16 and under are admitted free when accompanied by an adult.
Since the Kelsey Centre is not open daily during the summer, advance tickets for this concert will be available at the Fisherboy Store or by contacting me at the phone number below.
We wish to thank those who have attended our concerts and shown continued support for the work that we do to put these shows together. This includes our volunteers and the Sayward Village Council, without whom these events would not be possible.
If anyone has questions regarding our up coming concerts, if you wish to become a volunteer or would like to host our future performers, please contact
Bob Sampson 250 282-0134; saywardvalleyfolk@outlook.com or check out Ian Skorscha on the web at bandcamp.com

Coming Sunday September 8: Saskia DeLorande

Hello Sayward,

A big thank you to everyone for coming out and casting a ballot. Many thanks to Trish with the Village of Sayward and Edith with the SRD for all their long hours organizing this by-election.

I appreciate the trust you have put in me and will endeavor to do all I can for this great community we call home.

There is much work ahead for our village council to address and I look forward to the journey. Onward and upwards!

Sincerely, Jason Johnson

the Village of Sayward

Form 14-1
LGA s.145(8)

To the Residents of the Village of Sayward

I would like to express my sincere appreciation to each and every resident who took the time to vote. Your participation is the cornerstone of our democracy, and it is your voice that shapes the future of our community. I am humbled by the trust you have placed in me, and I promise to work tirelessly to serve our community.

I also want to acknowledge the support from family, friends and residents. Your support and encouragement have been invaluable throughout this election. Together, we have shown that when we come together with a common purpose, we can achieve great things.

To those who did not vote for me, I extend my hand in partnership. I am here to represent every member of our community, and I pledge to listen to your concerns, work with you, and strive to earn your trust and support. Our strength lies in our unity, and I am committed to working for the benefit of our community.

We have many challenges ahead, but I am confident that together, we can overcome them. Our community is filled with talented, hardworking, and caring individuals, and by harnessing our collective strengths, we can create a brighter future for all.

Once again, thank you for your trust, your support, and your belief. Let us move forward together with hope, determination, and a commitment to making our community the best it can be.

Sincerely

Debbie Coates

2024 Watering Restrictions Stage 2

The Village of Sayward is implementing Stage 2 watering restrictions. This is necessary because current precipitation and groundwater levels are below average. Authority to restrict water usage is set out in Water Regulation Bylaw No. 391. Effective July 4, 2024, the drought level for Vancouver Island is Level 5 which means adverse impacts to socio-economic or ecosystem values are almost certain. The Ministry of Forests anticipates a strong likelihood that very dry conditions could result in critically low stream-flows across the Region.

The following water restrictions are effective from July 4, 2024 to September 30, 2024:

Watering* is only permitted between the following hours on your designated day:

8 AM to 10 AM; and 6 PM to 8 PM

Even Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc. Residences with address numbers ending in an even number (e.g. 110 Dyer Dr.), watering is allowed on **Tuesdays and Saturdays**.

Odd Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc. Residences with address numbers ending in an odd number (e.g. 111 Dyer Dr.), watering is allowed on **Wednesdays and Sundays**.

**Watering is defined as using lawn irrigation or the use of a sprinkler, soaker or weeper hoses. Hand watering using watering cans or hoses with automatic shut off valves is currently permitted at any time, on any day.*

Parking lot, driveway, and car/boat washing is not permitted.

Water restrictions are intended to ensure that ALL residents receive an adequate supply of water throughout the summer months and that sufficient reserve supplies are available should they be required for emergency firefighting purposes.

Please see the village website for more detailed description of the watering restriction stages: www.sayward.ca
