

**VILLAGE OF SAYWARD
COMMITTEE OF THE WHOLE
MEETING AGENDA
May 11, 2021 7:00 PM
TEAMS Electronic Meeting**

1. Call to Order

Public Input

Mayor to read aloud:

The purpose of this meeting is to host a Virtual Town Hall for the purposes of gathering public input for the purpose of updating the official community plan.

Council is here to listen to your ideas and suggestions and to answer any general questions about the process. Council is not here to make any decisions or pass any resolutions or to resolve any problems.

We would like to hear your ideas. Each person is asked to raise your virtual hand to make a statement or ask a question and staff will be assisting by helping to keep track and try to keep a running list as close as possible to the order of priority.

Please keep your comments and questions brief, to less than 2 minutes and we will be asking that everyone only speak once until everyone present has had the opportunity to speak.

We have some resource people here as well, including Karl Neufeld, Building Inspector from the SRD to answer general questions, and the planning team from Urban Systems to provide some general information about the process and to listen. We also have our staff here to assist and listen.

With that, I would like to start this Virtual Town Hall and ask that each speaker please state their name and note whether their interest in the process: i.e. resident, valley resident, business operator, tax payer, etc.

I'd like to remind you all again that this meeting is to discuss the future of the Village of Sayward and not operational issues or concerns, rather we are here to talk about your ideas for updating the official community plan.

(Staff will then provide rolling list of people who wish to speak so the Mayor can call out their name).
