STAY SAFE - STAY HEALTHY

## THE HERITAGE HALL

Standing strong as a community

## What A Great Place To Live!

The Sayward Community Recreation Association would like to thank MOWI and their amazing staff as well as all the volunteers that came out to ensure our Sayward Seniors still received a free summer luncheon. During these very difficult times, it's events like these that keep a community strong!

SCRA

## Important Dates

August 1st  
NATIONAL MUSTARD DAY!!

August 2nd  
NATIONAL ICE CREAM SANDWICH DAY!!

August 3rd  
BC DAY!!

August 8th  
NATIONAL SNEAK SOME ZUCCHINI ON YOUR NEIGHBOUR'S PORCH DAY!!

The world might be a strange place right now but we can still have fun!

### Emergency Phone Notification Systems

Our phone notification service requires your assistance. We need new residents to provide us with your phone number and street address so we can add you to our phone notification system. If you move within the community, please let us know so we can send our notices to the correct people.

This system is used by the Village's Public Works staff to let Village residents know of problems with the water, sewer or other systems. **It can be used to notify the entire community of any emergency situations. It is important that we keep our resident list current.**

The system only allows for 10 digit phone numbers, no long distance can be used.

If you have not been receiving calls that you know have been sent out, please let us know.

To provide us with your information call the Village Office at (250) 282-5512.

SRD notifications are delivered by both text message and/or voice call to those who have signed up to receive notifications. These notifications are intended to inform residents and visitors alike about incidents that could impact them. Working together, we can take proactive steps to build a safer and more resilient community. Sign up at <https://strathconard.connectrocket.com>

### Garden Club News

The Garden Club missed a few meetings this spring due to the pandemic, but this is not to say Sayward gardeners haven't been busy. With an unusually cold and wet May through to mid-July, the peas, greens, and soft fruit have thrived. But so have the weeds! The upside to the wet weather is that we have not had to water our gardens too early, unlike this time last year, when they were suffering from unusually dry conditions. Last year the heat lovers—the tomatoes, peppers, and squash—fared well. This year is the reverse, and so grow the seasons.

Summer not only sees jam pots bubbling and pickles brining, but gardeners setting out transplants for fall and winter. The long-held lore that gardens should be planted once a year on the May 24th long weekend has been ignored by many island gardeners who succession plant something new every week or two for as many as six months of the year. Several vegetables can overwinter quite well in our temperate climate provided they are mulched and given some sort of protection. While some of these vegetables go dormant in really cold temperatures, they do spring back to life come early February. Purple sprouting broccoli, Red Russian kale, Winter Density lettuce, and mustard greens can be set out now to provide something fresh from autumn to early spring, when fresh new greens—lettuce, spinach, and Asian greens—take over.

We have missed so many annual fund raising events in Sayward this year that keep our community organizations solvent, and the Garden Club's annual Spring Plant Sale was no exception. Money raised from this event pays for the hall rental and allows us to bring an outside speaker to Sayward each year, to which all are invited. This money also helps fund the Club's main community project of filling and maintaining the flower planters situated at the mailboxes around the valley and along Sayward Road. The planters are maintained by volunteers, who are currently working on replacing two half barrel planters damaged by winter plowing. These flowers, we hope, add a bit of colour for all to enjoy.

In lieu of our Spring Sale, the Garden Club will be holding a Perennial Plant Sale at the Heritage Hall this fall. This will be outdoors and social distancing will be respected. Early fall is the perfect time for transplanting hostas, lavender, dahlias, daylilies, primula, phlox, strawberries, raspberries, and a host of other perennials, giving roots enough time to establish before the cold weather sets in. As you begin to clean up and split the perennials in your gardens this fall please keep the Fall Plant Sale on September 12th in mind for your plant donations. Information on dropping plants off will be posted in the next newsletter or, if you need to do this early, please contact Jeannie at 3608.

## The Sayward Volunteer Fire Department is now accepting APPLICATIONS FOR RECRUITMENT.

### Join our team of dedicated members.

#### What we seek:

Community minded and spirited individuals who like to be involved in team efforts and are looking for a challenging, rewarding and life changing experience.

#### You must be:

- Living in the Sayward District Fire protection area.
- Team oriented
- Healthy, Physically fit
- Of good character (RCMP security check required)

#### We offer:

- Involvement in community activities ranging from fire fighting, rescues, first responder medical service, to public education events.
- Paid training that is progressive at our inhouse and in the field at various training agencies.
- We are flexible to meet your time commitments, we work around our members lives to make it easy as possible for you to be part of our team.
- Insurance plans both on and off duty.
- New friends and acquaintances.
- And lots of fun

For more information or to apply please contact the Sayward Volunteer Fire Department @ 250-282-5505 Or [svfd@saywardvalley.ca](mailto:svfd@saywardvalley.ca) or come to our weekly meetings every Thursday @ Fire Hall #1 - 7 PM

## SAYWARD TOUR DE ROCK 2020

We are still collecting bottles and cans for recycling.

You can drop off recycling at 670 Kelsey Way (at back door) at any time.  
If you need to have your recycling picked up please give us a call at 282-3210.

All our volunteers handling the recycling really appreciate it if you rinse your bottles & cans and remove the caps.

Clinic  
Corner  
News

Mammogram Van will be here August 12, 2020. Please see the calendar for how to book an appointment.

With the nice, hot weather arriving, so does the risk of forest fires. If you have any conditions that involve your breathing such as asthma or COPD, please remember to stay indoors, with windows closed if the air quality decreases due to forest fire smoke.

Abundant opportunities for excitement and relaxation start at our front door. There is a small waterfall onsite, and elk often visit our lawn. You can walk to the Salmon River from our door, and there are a wide range of hikes nearby. Canoeing, kayaking, fishing, hunting, paddle boarding, golfing, downhill and cross-country skiing, whale watching, or even just admiring some huge trees, it's all accessible from right here.
