Emergency Phone Notification Systems

Our **phone notification service** requires your assistance. We need new residents to provide us with your phone number and street address so we can add you to our phone notification system. If you move within the community, please let us know so we can send our notices to the correct people.

This system is used by the Village's Public Works staff to let Village residents know of problems with the water, sewer or other systems. **It can be used to notify the entire community of any emergency situations. It is important that we keep our resident list current.**

The system only allows for 10 digit phone numbers, no long distance can be used.

If you have not been receiving calls that you know have been sent out, please let us know.

To provide us with your information call the Village Office at (250) 282-5512.

SRD notifications are delivered by both text message and/or voice call to those who have signed up to receive notifications. These notifications are intended to inform residents and visitors alike about incidents that could impact them. Working together, we can take proactive steps to build a safer and more resilient community.

2019 Watering Restrictions

The Village of Sayward is implementing watering restrictions. Authority to restrict water usage is set out in Water Regulation Bylaw No. 391.

The following water restrictions are effective from June 15, 2019 to September 30, 2019; Watering is only permitted between the following hours on your designated day:

- 6 AM to 10 AM; and
- 6 PM to 10 PM

Even Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc.

Residences with address numbers ending in an even number (e.g. 110 Dyer Dr.), watering is allowed on even days of the month (June 24, 26, 28, 30, etc.).

Odd Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc.

Residences with address numbers ending in an odd number (e.g. 111 Dyer Dr.), watering is allowed on odd days of the month (June 23, 25, 27, 29 etc.).

These restrictions are intended to ensure that ALL residents receive an adequate supply of water throughout the summer months and that sufficient reserve supplies are available should they be required for emergency fire fighting purposes.

PLEASE NOTE: Parking lot, driveway, and car washing is only permitted between 6 AM to 10 AM and 6 PM to 10 PM on your designated watering days.

Your cooperation is appreciated. Should you have any questions please call:

Sayward Tourism

The Sayward tourism Committee will be meeting on Wednesday September 11 at the Kelsey centre beginning at 7:00 and continuing every second Wednesday of the month through May of 2020

Our meetings are open to all members of the community, both village and valley. Our purpose is to develop business strategies that promote tourism in the Sayward area.

We are in the process of putting together a new website and information to include in our new brochures for the coming 2020 season. With that in mind, we are inviting all operators of businesses in Sayward and the Sayward Valley, to become part of this process.

Attendance at our meetings would be beneficial to all concerned.

If you have a business that you would like promote in our publications, website or at the Visitor Information centres at the Junction and the wharf, please consider attending.

Oscar Daze 2019

Well another season is over and it's time to start planning for next year.

Thank you to the residents of the Village for their patience during Oscar Daze.

We would also like to thank Mayor and Council for the use of the Park and campgrounds. Thanks also to the Kelsey Centre staff for keeping the showers open for the players and Village works employees for looking after the grounds and garbage.

A special thanks to: Tour de Rock for the collection of cans and bottles and to the RCMP for the extra work we bring them.

Thank you to the food vendors for supplying amazing food again this year!

The Oscar Daze Slow-Pitch Tournament would like to underline the support of the Community Wellness and Physical Literacy Project, A project in association with the Municipality of Sayward and Island Health. Promoting healthy living is important and we are glad to have their support. Every Saturday, from 1 pm to 3 pm, Community Wellness and Physical Literacy Project will have Sports Material available in the H'kusam Park for families to play games together.

We would like to thank the thirteen ball teams that came this year and thank you to the four Umps for looking after the games.

Sayward Tour de Rock 2019 September 23th

The Tour de Rock riders will be arriving in Sayward on Monday September 23th. Save that afternoon to come out and greet them and don't forget to come and enjoy the potluck dinner that night in the school gymnasium. This year ham, chicken and fish will be provided. Therefore, salads, side dishes, vegetables and desserts are requested. There will be approximately 40 riders and support crew to feed as well as the community who come out to support this cause. Keep that in mind when you plan the dish you are bringing.

We also have to provide the riders with beds for the night. If you have a cot, air mattress or some kind of portable bed they can be dropped at the Kelsey Centre on Saturday or Sunday when the rec centre is open.

We will be selling raffle tickets for a 3 prize draw, tickets for a RCMP quilt, 50/50 tickets, and silent auction items so don't forget your cash.

The money raised is used for pediatric cancer research and programs for children and their families with cancer including going to Camp Good Times. Camp Good Times is a place where, for one week, these children and their families can escape their frightening and often painful world of cancer treatments.

We are looking forward to seeing everyone at the dinner.

Thank you for your community spirit.

Your Sayward Tour de Rock Committee

Clinic Corner News

Join us September 11, 2019 from 1-2pm for an information session presented by the Positive Wellness North Island and North Island Liver Services & HIV services. Topics will include HIV and Hepatitis C. This information session will be held at the clinic.

We hope to see many of you, ages 55 years and up for our Community Kitchen lunch, starting September 19, 2019. This will be held at the Kelsey Center. We are always looking for volunteers to lend a hand, so if you are interested, please contact Nurse Practitioner Tracey Payne or Joyce Ellis.

Just a friendly reminder that our walking group is still happening. Every Tuesday and Thursday at 8:30, starting at the clinic. All abilities welcome.

Position Available

The Sayward Community Health Society is looking for a back-up Computer Tech Support person to assist with the Clinic computer system, which is now Windows based and no longer a MAC system.

This is a paid position, and is an on-demand only position, and services will only be required occasionally.

The ideal candidate will have previous experience with supporting multiple computers running Windows 10, Ethernet Networking, Printing and Internet set-up. Microsoft accreditation would be advantageous.

A Police Criminal Record Check will be required, and an Island Health Patient Confidentiality Agreement will need to be signed.

Please apply in writing with CV and previous experience level by 31st August 2019 to:
Sayward Community Health Society
PO Box 33
Sayward BC
V0P1R0
Or drop it into the Clinic marked Confidential for SCHS.

Everyone Welcome!

Saturday 22nd June this year was the 15th anniversary of the Kusm Klimb. Over 600 people Klimbed, volunteered and were there supporting. Thank you everyone who came out that day, it couldn't happen without you. Volunteers helped with parking, feeding the Klimbers and selling T shirts at the Heritage Hall. Another brilliant banquet was put on by Barb Bowbrick and her team in the evening.

People came from near and far to Kimb – Hong Kong, Netherlands, Calgary, California, Victoria, Nanaimo, Cumberland, Woss, Port Hardy, Port McNeill, Campbell River and of course our own home town of Sayward.

Toughest man was Andrew Russell from Sanichton in 2:17:00. The toughest lady was Cheryl Davies from Nanaimo in 2:52:12.

The youngest Saywardian was Keith Bourne age 16 and the oldest Sayward person to Klimb was Paul Martin – his 3rd year!

A major part of making this event happen each year is the support we receive from our sponsors who provide support by donating door prizes, money for age class prizes or "T" shirt sponsorship. This year they were:-

Cermaq, Climbing Wall Campbell River, Country Grocer Nanaimo, Dairlyland, Greig Seafood, Healthyway Natural Foods Market, Trevor Despins & Monique Reid IG Wealth Management, Kelsey Bay RV Campground, John McDonald & Sue Poulsen, Mid Island Co-op, MOWI, North Island Kayaks, Remax Check Realty, Royal LePage Advanced Realty, Thrifty Foods, Valle Halle Pure Courtenay, Nanaimo & Victoria, Wedderspoon, Windy point Falling Brody & Ann Gilkin.

Money raise from this event will go to support the following Community ventures in our area - Carpet Bowlers, Cops for Cancer – fishing derby, golf tournie, Tour de Roc, Heritage Hall, Kelsey Rec Centre & Age Friendly Van, Legion, PAC, SARS (Search & Rescue), Sayward Bursary, Sayward Clinic, Sayward Futures Society, Sayward Literacy, Sayward Valley Folk Music Society, Sayward Voluntary Fire & Rescue Department, Secret Santa.

Are you a Community venture in need? Would you like to be considered for funding? Please write to us @info@kusamklimb.com or drop a letter into the library by Sept 12th.

Garden Club News

The Garden Club does not meet during the summer month as the members are all busy in the garden during the long evenings.

Instead, in August, we have a movable garden party. We visit four gardens, each different from the others. At each location there is an opportunity to observe various gardening techniques as each gardener has a unique style of creating an abundance of vegetables and flowers. At the conclusion we had a potluck dinner with custom pizza by Tim.

This summer has had a good mix of sun and rain making our gardens thrive. Harvesting, freezing, canning, pickling and drying make August and September busy months. At the same time the weeds are also growing at a great rate and new weeds are germinating and poking up. Those tall weeds with the seeds on top can be pulled and discarded. If your compost heats up well you can put those seedy weeds in the pile hoping to cook them away. Some gardeners have a special pile for mature weeds that is left for longer before using.

The meeting on September 12 will focus on the care and sharpening of garden tools. Please bring your favorite tools to the meeting for members to compare. We will be set up to assist in sharpening, cleaning and oiling tools before putting them away for the winter. Please join us at the Heritage Hall on the second Thursday of the month at 7:00.

Sayward Children's Health Hub - Family Connections

Happy Fall! Welcome back, I'm looking forward to meeting new families, and seeing all the other families. If you are new to Sayward, I am the Sayward Family Navigator for the Hub, and also the Literacy Outreach Coordinator for Sayward. I will be running both initiatives out of the Hub at the school.

What is the Sayward Children's Health Hub? It's a place to connect families to services; to share relevant health information; a place to meet other families; and to deliver timely support locally. We provide health resources, support groups, parent-tot drop-in, developmental screening for children under six, parenting, and more.

Sayward Children's Health Hub is an initiative spearheaded by the Sayward Early Years Table. We are funded by the Children's Health Foundation of Vancouver Island and School District 72.

Sayward Valley Folk Music Society News
Promoting music and the arts in Sayward

Our September concerts begin with folk duo, Barbara and David Denz. They have been performing a variety of Celtic music together for over 30 years, choosing to follow the Celts through their time and influence across Europe and North America. Barbara supplies the vocals while David accompanies her on Uilleann pipes, Irish flute, vocals, cittern, and guitar. This concert is on Sunday September 8 @7:00.

Admission is \$10 at the door. Members \$5. Children 12 and under are free.

On Sunday, September 22, at 7:00, in collaboration with Winnipeg's music salon series Living Room Live, we will be hosting Soprano Paula Berry and Pianist Lisa Rumpel for a program of English and German art songs titled Nostalgia In Life's Journey.

Paula completed her music studies with a master degree in opera and musical theatre from McGill.

Lisa has been praised for her fierce artistry and sheer stamina and is passionate about communicating classical music to a variety of audiences.

This concert is in keeping with our goal of bringing classical music to people in smaller communities. Admission is \$20 at the door. Members \$10. Children 12 and under are free. Refreshment table included with price of admission.

On Sunday, September 29, we are pleased to have the duo Nice Verdes performing in concert at 7:00. The Music of Nice Verdes is uplifting and sunny indie world. Together, they play combinations of Cuban tres, accordion, guitar, harmonica and vocals. Celebrating a strong sense of community and the equality of diversity, they reflect the soul of the countries they have travelled. You can

expect to hear the music of Cuba, India, W. Africa, South and Central America and Europe. Admission is \$10 at the door. Members \$5, children 12 and under are free.

The Sayward Valley Folk Music Society continues to promote live acoustic folk music in a family friendly atmosphere, Sunday evenings, at the Heritage Hall.

**BCAA reveals designs for 2019 ‘BCAA Play Here’ winners
Sneak peek at Sayward School’s \$100,000 playground**

Burnaby, August 15, 2019: Children and families are getting their first look at the design for the Sayward School playground, a recent \$100,000 winner of BCAA Play Here, a community investment program that gives kids in B.C. better places to play and learn.

Thousands of words shared by children and their community to describe their dream play spaces have been turned into pictures of their new playgrounds. Shawn Pettipas, Director Community Engagement, BCAA, says, “It’s exciting to reveal the Sayward School playground design, particularly knowing it will become reality when it’s built this fall.”

The Sayward School playground includes extraordinary features geared towards challenging, imaginative and inclusive play and accessibility. The playground incorporates:

- * Features for children from 2-5 years and 5-12 years.
- * Interconnected circuit features - allows children to move from one element to another without having to set foot on the ground with multiple entry and exit points throughout the circuit.
- * Two high slides and a double slide for younger children.
- * Separate spinning features where kids can spin sitting down or standing up.
- * Net bridge and net climbers.
- * Firefighter’s pole.
- * A store front panel for imaginative and social play.
- * A glide ride where kids can hold on and ride across from one platform to another.
- * Roofs that cast a colourful spectrum of light.

VILLAGE OF SAYWARD

CHIEF ADMINISTRATIVE OFFICER/FINANCIAL ADMINISTRATOR

Council for the Village of Sayward is interested in hiring a local individual who possesses the qualifications and skillsets for the position of Chief Administrative Officer/Financial Administrator (CAO). The CAO oversees all facets of the municipal operations of the Village and reports directly to Mayor and Council.

The new CAO for Sayward will have a solid background in working with elected officials, community groups and/or managing people. If your strengths and experience lie in management, we want to hear from you. The Village will provide training to the successful candidate.

Points of interest, if you have:

- Proven track record/Experience in local government management, or,
- Proven track record/Experience in managing people in the private sector, or,
- Proven track record/Experience in managing a Not for Profit organization, or,
- Have completed or are near completion of a degree in Public Administration or an accounting designation.

You should consider applying for the CAO position. The successful applicant will be a strong confident individual and will hold the statutory positions of Corporate Officer, Financial Administrator and Approving Officer. You will be required to rely heavily on your public relations and communication skills. Strong computer skills are essential.

The Village Office operates on a 37.5-hour workweek Monday thru Friday and salary will be commensurate with experience. As well, an attractive benefits package is offered. Please indicate salary expectations with your submission.

For detailed information regarding the position, Village of Sayward, contact information listed below.

Resumes will be received by the undersigned until **4:00 p.m., October 1, 2019**. Please include three references with your submission.
