An e-mail address is required. Once your tax return has been processed, you will sign your tax return via e-mail. If you do not have an e-mail, the Village office will contact you by phone number once your return has been processed and you will be required to come to the Village office to sign.

Why should you file a tax return if you have lower income or do not owe any taxes nor expect a refund back?

If you do not file a tax return you are not eligible to receive GST credits or the BC Low Income Climate Action Plan credits. Filing your tax return ensures that you receive all cash payments and benefits that are available to yourself and your family.
