IMPORTANT NOTICE

Our phone notification service requires your assistance. We need new residents to provide us with your phone number and street address so we can add you to our phone notification system. If you move within the community, please let us know so we can send our notices to the correct people.

This system is used by the Village's Public Works staff to let Village residents know of problems with the water, sewer or other systems. It can be used to notify the entire community of any emergency situations. It is important that we keep our resident list current.

The system only allows for 10 digit phone numbers, no long distance can be used.

If you have not been receiving calls that you know have been sent out, please let us know.

New service to be Trialed in Sayward

The Campbell River Food bank supplies one hamper per month to individuals and families registered with the program

We are aware that in Sayward transportation to the food bank can be an issue, as a result residents of Sayward will be able to have the new service pick up and deliver their Campbell River food hamper.

How to access the service

- One needs to be a registered individual/ family with the CR Food Bank
Processes to become register involves attending the food bank in person, and complete the intake process. Please remember to bring ID for every person you intended to register (adults and children). For additional information please call the Food Bank directly 250-286-3226
- Choice if you wish to have your hamper picked up and delivered on the first or second Friday of the month
- Contact Darlene 250 282 5500 before 4 pm on the Wednesday prior
if you are unable to speak directly with Darlene – please leave a message – no details are needed other than your first name and phone number. Darlene will return your call.
- Sign a letter of authorization which states the driver can pick up your monthly hamper

This new community minded initiative is striving to provide a confidential and efficient service to the residences of the Sayward Village and Valley

Any feed back or suggestions would be graciously accepted.

Please spread the news to anyone you feel may wish to access this service

Service is subject to change

Sayward Valley Folk Music Society News

Thank you to all the volunteers and concert goers for making our 2017 concert series a success.

Our December 10 concert with the Larry Ayre Trio, was a wonderful way to end our 2017 season. Those in attendance had a great time and will, no doubt, return for the 2018 concert season at the Heritage Hall.

There will be no event in January, while we take a break for the holidays.

This year we are pleased to present all new performances; from Latin to Blues. from Traditional Folk to Bluegrass.

Our first concert for the 2018 season will be the Latin American band Rio Samaya on February 11. In March, Harpdog Brown and His Traveling Blues Band will appear on the 11th. In April, The Clover Point Drifters will be presenting an evening of Bluegrass on the 8th.

More concerts have been booked for the remainder of 2018. We encourage everyone to come and enjoy the music.

Admission at the door is \$10.00.

The Harpdog Brown concert will be \$20.00 at the door. Advance tickets will be \$15.00

Memberships to the Sayward Valley Folk Music Society are now available. They are good for a full year. The cost is \$85.00 per person or \$130.00 for a family. All individual memberships are based on an admission of \$7 per concert, for an entire year. There is no extra charge for higher admission prices at the door. And , as always, Children 12 and under are free.

The Sayward Valley Folk Music Society continues to promote live acoustic folk music in a family friendly atmosphere, the second Sunday evening of the month, at the Heritage Hall.

" Interested in a meaningful volunteer experience and you are 55 plus?"

Campbell River Senior Peer Support is looking for more volunteers, both male and female.

Training will be provided **Jan. 20th, 22nd and 29th** from **9.30 am-3pm**.

Volunteers from Sayward are welcome to join us for the training on those days.

The training will take place in Campbell River at our Community Centre.

Clinic Corner News

Each month, the Sayward Primary Healthcare Clinic will be featuring a different topic in the Clinic Corner News section.

Are you aware that after February 2018, the CareCard will no longer be valid. In February 2013, the BC Services Card replaced the CareCard. The BC Services Card is also considered government ID with enhanced security features to help improve patient safety, reduce card misuse and protect personal identity. Some of you may have a combined BC Driver's Licence and Services Card. This is still valid. If you do not have a BC Driver's Licence and have not renewed your Medical Services Plan and received your BC Services Card, please call [1-800-663-7867](tel:1-800-663-7867) for more information, Monday-Friday from 7:30 am to 5:00 pm.

Tracey Payne, MN NP(F)

Community Nurse Practitioner

Cold and flu season is definitely here. We are seeing an increased number of patients in the clinic, suffering from these viruses. This is a good time to remind your family - especially your children, how to stop the spread of viruses.

The most effective way to stop the spread of infection and disease is hand washing. Invisible germs are always present on surfaces. Some harmful, others are not. Hands should be washed

- After visiting the toilet
- Before eating or handling food
- When hands are visibly soiled
- After coughing or sneezing into the hands

Alcohol based hand sanitizers are recommended when soap and water is not available however, these may not be as effective against some infections.

It is that time of year when we think about New Years Resolutions! Whether you want to lose weight, quit smoking, increase exercise or improve your overall health, the staff at the Sayward Primary Healthcare Clinic are here to support you. The first step starts with you and the desire or thought to improve your health.

Do you suffer from Osteoarthritis?? Jen Fyfe, physiotherapist, is offering a workshop at the clinic on Wednesday, January 17, 2018 at 11:00 to help with those suffering with osteoarthritis and how to keep moving. Cost \$30. Please register directly with Jen by calling 250 203-4047.

Garden Club News

With snow covering the ground there is not much for gardeners to do. But a brief thaw might allow an opportunity to slip in a few bulbs for spring blooms. There may be a chance for the asparagus beds to be weeded and the dry stems to be cut off. A layer of compost will ensure a good crop of asparagus in the spring.

Seed catalogs provide a good chance to plan for spring plantings. The catalogs provide information on growing practices and the special characteristics of different varieties. Hybrid seeds are more expensive but often have greater vigor than open pollinated (non-hybrid) types. If you want to save your own seeds you will need to stick to the open pollinated varieties (designated O.P.) as hybrid seeds will not provide reliable seeds. Most seeds will remain vital for several years if stored in a mouse proof container and kept cool and dry.

Each year the garden club makes a cooperative vegetable seed order, ordering seeds in larger quantities and dividing them into individual packages. This can cut our seed costs by half and provides a good quantity of seeds for one year's planting. The January meeting will begin this process by surveying the members regarding their preferences.

The meeting will also feature a discussion of winter gardening. Members will share their experiences of growing year round both in the garden and in the greenhouse. Discussions of this kind share the local experience of our members with everyone learning something from the exchange. Our meetings are always on the second Thursday of the month at 7:00 at the Heritage Hall. Everyone is welcome to join us on January 11.

2018 Dog Licenses

Please note all dogs living in the Village must have a valid Village of Sayward dog license. These licenses can be purchased at the Village Municipal Office. The cost is \$15.

As a courtesy to your fellow Sayward residents please ensure your dog is not running around on the loose and it is always on a leash when it is with you. Finally, please note it takes up valuable resources (i.e. tax dollars) whenever Village staff have to spend time chasing dogs or dealing with dog owners who do not abide by the bylaws.

Job Summary

The Village of Sayward is seeking a passionate individual to fulfil the position of Emergency Coordinator. The Coordinator provides leadership in the development and delivery of operational, and community preparedness efforts, as well as delivering emergency response coordination for the Village as needed. Local governments in BC are legislatively required to have an Emergency Program and Plan in place under BC's *Emergency Program Act*, and the Coordinator fulfills this responsibility by managing the program on behalf of the Village of Sayward. The Coordinator works with other local governments, emergency response agencies and volunteer organizations across the region on planning for efficient and effective emergency services delivery.

Typical Duties

Manages the Village's emergency preparedness program in collaboration with the Strathcona Regional District's Emergency Program Coordinator. This includes the development of all program materials, emergency preparedness plans, presentations and training.

Represents the Regional District with regard to outreach and communication with Emergency Management BC, Wildfire Branch of Forests, Lands and Natural Resource Operations and other key agencies involved in emergency management and/or response.

Provides long term planning and program development for the Emergency Social Service volunteer team.

Ensures the opening of a Village Emergency Operations Centre.

Knowledge, Skills and Abilities

Good knowledge of MS Windows and MS Office software.

Good knowledge of current social media software, radio protocols and services and GIS mapping.

Ability to keep accurate and complete records.

Good knowledge of provincial legislation relating to the work, including the British Columbia *Emergency Program Act* and the *Local Authority Emergency Management Regulation* (can be obtained after job commences)

Required Experience

Moderate knowledge of emergency management protocols, Emergency Support Services or Ground Search and Rescue is considered an asset.

Required Licenses

Possession of valid BC Class 5 drivers license
Driver's Abstract
Criminal Records Check

This is a volunteer position. All training and travel expenses for meetings reimbursed and a small stipend is provided. To apply or for more information contact epc@saywardvalley.net.

Tourism Committee Meetings

Meetings are held on the second Wednesday of the month at 7:00 pm in the Council Chambers. We would like to invite community business's and residents so we can open up new possibilities for tourism in our community.

TOUR DE ROCK COMMITTEE

The current Tour de Rock committee of 3 is informing you that they will be retiring their positions as of January 1, 2018. The Tour de Rock is in need of new volunteers who would like to keep the Tour de Rock going in Sayward and do fundraising for the kids with cancer. The job is not difficult but will be busy in September. The retiring committee is willing to help the new volunteers get started and show them the ropes.

PLEASE WE NEED VOLUNTEERS. For more information please contact Joyce Ellis 250-282-3863.
