2018 Watering Restrictions Now in Effect

The Village of Sayward is implementing watering restrictions. Authority to restrict water usage is set out in Water Regulation Bylaw No. 391.

The following water restrictions are effective from May 23, 2018 to September 30, 2018;

Watering is only permitted between the following hours:

6 AM to 10AM; and 6 PM to 10 PM

Even Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc.

Residences with address numbers ending in an even number (e.g. 110 Dyer Dr.), watering is allowed on even days of the month (July 24, 26, 28, 30, etc.).

Odd Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc.

Residences with address numbers ending in an odd number (e.g. 111 Dyer Dr.), watering is allowed on odd days of the month (July 23, 25, 27, 29 etc.).

These restrictions are intended to ensure that ALL residents receive an adequate supply of water throughout the summer months and that sufficient reserve supplies are available should they be required for emergency fire fighting purposes.

PLEASE NOTE: Parking lot, driveway, and car washing is only permitted between 6 AM to 10 AM and 6 PM to 10 PM on your designated watering days.

Your cooperation is appreciated. Should you have any questions or require any assistance, please call:

Paul Carver

Chief Administrative Officer

(250) 282-5512

Garden Club News

What a great time for gardens ! Unlike the last few years, we have had enough spring rain and with sunnier weather everything grows like crazy. That includes weeds. So gardeners slap on the sunscreen and their hats and go after those weeds while they are small.

Deadheading flowers means cutting off the spent blooms. If the plant is allowed to set seeds on a few drying flowers it will slow down or stop forming new blooms. Some flowers tend to make a single bloom to start with. You can enjoy that first colour for a bit, then cut it off to encourage multiple blooms to come. Roaming around with scissors in the cool of the evening combines enjoyment of the colour along with a little "hair cutting".

Onions have short root systems and will get a boost if you top dress them with compost followed by a good watering. At the same time you can snap off any of the flowers that tend to form on onions grown from sets.

Some club members will be getting together on the Friday before Canada Day to build our entry in the parade. If you want to help, please phone Alex at 282-3799. The club will also be organizing a Fall Fair at the Heritage Hall on September 15 during and after the summer market. This will be a non-competitive display of vegetables, flowers, canning, jam, flowers, and animals. Watch for a list of categories and display suggestions.

The Garden Club plants and maintains the flower boxes at your mail boxes. During the dry season the boxes need lots of water. When you go for your mail you can bring along a milk jug of water to help the thirsty plants. Hope you have fun in the sun.

Sayward Valley Folk Music Society News

As always, we would like to thank our volunteers and the people of Sayward for making our concert series a success.

On Sunday evening, July 8th at 7:00 pm, at the Heritage Hall, we will be hosting an evening of Celtic harp and hammered dulcimer with **Alison Vardy in concert.**

Alison started playing the harp over 33 years ago, while living in Gore, New Zealand. Moving to Dunedin, on New Zealand's Southeast coast (noted for it's Robbie Burn's Celebrations and pipe bands) Alison became active in the local folk scene, performing with various groups including Blarney Rose.

In 1996 Alison was presented the Greater New Zealand Award, traveled to Olympia, Washington and began touring with soprano Ana Goode. The next year she emigrated to Canada, eventually settling in Cedar, BC. where she continues to perform, teach and sell harps.

Last year Alison completed a cross Canada tour and it is a pleasure to welcome her to Sayward as a part of our 2018 concert series.

Doors will open at 5:30. There will be an **open mic preceding the concert at 6:00pm.** People wishing to sign up to perform will be on a first come basis. We remind performers that this venue features Acoustic Folk Music. Open stage sets are limited to 10 minutes.

This event is family friendly.

Price of admission is \$10.00/ person. Children 12 and under are free.

There will also be a refreshment table offering fresh baked desserts, Coffee, tea and juice at reasonable prices. For information contact Bob or Karen Sampson 282-0134.

Clinic Corner News

Please welcome Ben Olsson to our community. Ben is a clinician with the Campbell River Mental Health and Substance Use. Ben will be providing counselling and support to the community and will be at the clinic once per month, starting in July. We will start with drop in appointments for his first visit. If the demand for Ben's services increases, he will come more often. Support programs include family support, education and individual and group counselling. Ben specializes in substance use and addictions and will help support those who are looking at getting treatment for alcohol or other substance use.

Jen Fyfe, our physiotherapist, will be coming every two weeks now, starting in July. Please consider booking your physiotherapy appointments with Jen so that we can keep her services in the community. If we don't use the service, we will lose it.

Sayward Community Health Society

The Sayward Community Health Society would like to respectfully remind all users of the Clinic that we operate on an appointments system. We do not unfortunately have the resources to be a general walk in Clinic. This has been our policy for a number of years now, since we became so busy.

The only exceptions to this are our regular Monday morning lab sessions, which will continue to be a walk in service without needing an appointment, and of course anyone needing urgent and immediate medical attention.

In all other instances, please call to make an appointment.

The Society appreciates your help in enabling us to continue to provide a fair and equitable service to all members

Rachel Blaney

NDP Statement on World Elder Abuse Awareness Day

NDP Seniors Critic Rachel Blaney (North Island – Powell River) made the following statement on World Elder Abuse

"Seniors have the right to enjoy their later years in comfort and dignity, but too many still find themselves in a vulnerable place in Canada. It's devastating that abuse affects up to 10 percent of our elder adults, and only 1 in 5 of these abuses will come to the attention of someone who can help. There are many challenges – income insecurity, unaffordable housing, social isolation – often made worse when they leave their home and communities. In these circumstances, the risk of elder abuse and negligence increases.

The NDP applauds caregivers and volunteers working with our seniors every day. However, by the year 2036, just one generation from now, 1 in 4 Canadians will be a senior, yet the Liberals have no plan in place to deal with this enormous challenge facing our country.

That is why the NDP is calling for a comprehensive national senior's strategy delivered by a dedicated Department for Seniors. The strategy would deliver effective programs and services for all, especially the most vulnerable, as well as address physical and financial abuse.

Canadians deserve strong social programs to secure a dignified retirement and enjoy their later years."

Finger Dock Closure

Sayward Futures Society is obligated to have a wharf inspection every five years. The inspection was done over this Spring and we recently received the completed report, which determined that the lower finger dock and the breakwater pilings are in very poor condition and deemed a public safety hazard.

In consultation with the engineer Ralph Watts, from North Island Engineering, and Joe McAlister, from Tuff Marine Repairs,

THE FINGER DOCK IS TEMPORARILY CLOSED TO PEDESTRIAN TRAFFIC AND BOAT MOORAGE UNTIL FURTHER NOTICE.

SFS is awaiting cost estimates on three options:

1. Complete removal of the dock and breakwater;
2. Repair of the existing dock and breakwater; or
3. Replacing the dock and repairing the breakwater.

Once we receive the estimates, we will make a decision on proceeding.

In the meantime, in order to maintain public safety, we cannot provide moorage or pedestrian access to the finger dock. Moorage may be available at the nearby [Small Craft Harbour](#).

Thank you for understanding. If you need additional information, please [contact Sayward Futures Society](#).

Sue Poulsen

- **NO PLYWOOD**
- **NO LUMBER**
- **NO PARTICLE BOARD**

SAYWARD COMMUNITY BURSARY

INFORMATION, REQUIREMENTS & APPLICATION

The purpose of the Sayward Community Bursary is to reward deserving, well-rounded students and to assist them in their post secondary education.

Applicants:

- Must have resided at least one year in Sayward
- Must have a parent residing in Sayward at the time of the application
- Must show proof of acceptance in a post secondary program
- May apply annually for five years following secondary school completion

Applications should include:

- A letter of introduction written by the applicant, including some personal history
- A list of community activities and/or volunteer services, along with letters or reference
- A transcript of marks for grades 11 and 12
- An indication of future education plans
- Any other pertinent information

Please submit applications to the Sayward Community Bursary Committee by **August 17th** of the school year in which you will be taking post secondary courses.

Please note: Students are encouraged to update their applications by August 17th each following year, with transcripts of marks, indication of future education plans and any other pertinent information, in order to qualify for further monies should they become available.

Sayward Community Bursary Committee

The Sayward Bursary Committee shall be composed of one representative from each of the contributing organizations or households. A representative from a contributing youth organization must be an adult. A person with a direct relationship with an applicant may not sit as a representative on the Committee. Contributors are requested to deposit their donations with the Sayward Bursary Committee by September 1st in order to facilitate planning.

Bursary Criteria

The committee will select bursary recipients as soon as possible after school starts in the fall. Alternates may also be chosen, in case an original recipient does not begin his/her post secondary courses as planned. The committee will issue the Bursary monies in two instalments of equal amounts.

The first cheque will be issued to the student as soon as possible after October 15th, once either a letter of acceptance or proof of registration is received.

The second cheque will be issued as soon as possible after February 15th, with confirmation to the Committee that the student is still attending school.

If the student does not begin the second term of post secondary education, the second cheque will be withheld and awarded to an alternate.

In the event that the bursary is not awarded to a student beginning his/her post secondary education, the Committee will meet to select recipients from previous applicants who have submitted updated letters of application.

Should you require further information, please contact

Marilyn Barry at [250-282-3465](tel:250-282-3465) or silvergill@gmail.com
