## IMPORTANT NOTICE

Our phone notification service requires your assistance. We need new residents to provide us with your phone number and street address so we can add you to our phone notification system. If you move within the community, please let us know so we can send our notices to the correct people.

This system is used by the Village's Public Works staff to let Village residents know of problems with the water, sewer or other systems. It can be used to notify the entire community of any emergency situations. It is important that we keep our resident list current.

The system only allows for 10 digit phone numbers, no long distance can be used.

If you have not been receiving calls that you know have been sent out, please let us know.

**To provide us with your information call the Village Office at (250) 282-5512.**

## SAYWARD TOUR DE ROCK 2018

We are still collecting bottles and cans for recycling.

You can drop off recycling at 670 Kelsey Way (at back door) at any time.

If you need to have your recycling picked up please give us a call at 282-3210.

All our volunteers handling the recycling really appreciate it if you rinse your bottles and cans and remove the caps.

Council Chambers, all businesses and residents welcome.

## 2018 Dog Licenses

**Please note all dogs living in the Village must have a valid Village of Sayward dog license.**

These licenses can be purchased at the Village Municipal Office. The cost is \$15.

As a courtesy to your fellow Sayward residents please ensure your dog is not running around on the loose and it is always on a leash when it is with you. Finally, please note it takes up valuable resources (i.e. tax dollars) whenever Village staff have to spend time chasing dogs or dealing with dog owners who do not abide by the bylaws.

## Sayward Valley Folk Music Society News

A big thank you goes out to all the volunteers and those who attended our February concert featuring Rio Samaya. The duo of Pancho and Sal provided many uplifting moments. From humorous anecdotes, exuberant sing a longs, and dancing in the isles; it was apparent that everyone had a memorable evening.

Our March concert features Canada's Hottest Classic Electric Blues band. Canadian recording artist **Harpdog Brown & the Travelin' Blue Show** will be appearing on **Sunday March 11 @ 7:00.**

This will be a special treat for lovers of the blues and a great opportunity to meet the band. We have been fortunate to have Harpdog include Sayward as a part of his 2018 touring schedule.

For more information, check out the Sayward Heritage Hall site, Harpdog Brown In Sayward and Around Sayward on Facebook.

Advance tickets are \$15.00 and are available at the Kelsey Centre, Tanya's Hair Cutting, Sayward Valley Resort, the Music Plant in Campbell River, from Bob or Karen (250)282-0134 or on line @ [bit.ly/Harpdog](http://bit.ly/Harpdog) In Sayward. Admission at the door is \$20 /person.

Volunteers, open stage performers, SVFMS members, and children 12 and under pay no or reduced admission.

There will be an **open mic from 6:00pm - 6:45pm**. People are welcome to sign up at the door. **Doors open at 5:30pm.**

Our feature in April will be one of BC's best Bluegrass bands, the **Clover Point Drifters. Sunday April 8 @ 7:00**

The Sayward Valley Folk Music Society continues to promote live acoustic folk music in a family friendly atmosphere, the second Sunday evening of the month, at the Heritage Hall.

For more information contact Bob or Karen Sampson 282-0134

The Sayward Community Recreation Association would like to thank **Debbie Coates** for her help with events at the Heritage Hall and her assistance with the Sayward News listings.

Volunteers like **Debbie** are the backbone of our community.

## SAYWARD VALLEY FARMS

Hamburger: 10-pound box \$ 60.00

Bones \$ 2.00 per pound

Phone Beth 250-282-3473

## Clinic Corner News

The BC Cancer Society is promoting the Walk or Run to Quit Program.

This uses walking and/or running to help people stop smoking. Why does it work?

Exercise helps people cope with cravings, goal setting and monitoring help with behavior change, exercise helps with weight loss, and it uses an evidence based smoking cessation curriculum.

There are 3 different programs they offer: In-Store Training Programs, Virtual Training Program or Train on Your Own Challenge. The In-store training program and Virtual training program each have a fee involved. The Train on Your Own challenge is free. If you register for any of these three options and you quit smoking, you are eligible to win prizes including cash. Full contest details and program registration found at [runtoquit.com](http://runtoquit.com)

**Registration for the Spring program is currently underway and deadline is May 15, 2018, cost is \$ 30.00.** To help support this program, join the Sayward Primary Healthcare Clinic's Walking Program. This is open to Everyone, not just those who participate in the Walk or Run to Quit Program. **Every Tuesday and Thursday at 1 pm, starting at the Clinic, join us for a walk around the village.** Exercise can improve your health and walking with others encourages participation. We will walk rain or shine (except if it is really nasty outside). Walk at your own pace and go as far as you are comfortable. The goal is to be active. Whether your reason is to lose weight, increase mobility, meet others or just to have fun, please join us. If you have any questions about the Walk or Run to Quit Program or the Clinic's Walking Program, please contact the clinic 250-282-3815. We hope you join us!

### Reminder of a few items available to the Community :

- You can receive your prescriptions by mail from the Costco Pharmacy. You do not have to be a member to use the Pharmacy.
- Did you know you can access your own lab results. Call [1-866-370-8355](tel:1-866-370-8355) and have your name, birth date and card care information available .
- Halter Monitor. We now have one and if you are required to wear one, please inquire at the clinic. You no longer need to go into Campbell River for this service.

We hope this information helps everyone who uses the Sayward Community Clinic.  
SCHS

## Calling ALL Family & Friend Caregivers!

Join us for the CR Caregiver Support Group. Come share your experiences, concerns and thoughts. Get help navigating the healthcare system & get your questions answered. Lots of free information and resources available. Confidentiality assured.

**All caregivers are welcome**

Facilitated by several retired Campbell River Nurses.  
Supported by Family Caregivers of British Columbia.  
Venue graciously donated by Ironwood Place.

**When:** 2nd Monday of each month (*note: some date changes due to stat holidays*)  
March 12, April 9, May 14 and June 11

**Time:** 2:00 pm to 4:00 pm

**Where:** Ironwood Place – 1351 Ironwood Street, ( across from Campbell River Common Mall)

RSVP appreciated but not required. Contact - [campbellrivercaregivers@gmail.com](mailto:campbellrivercaregivers@gmail.com)  
or call toll free 1.877.520.3267

### Garden Club News

Hopefully by the time you read this west coast spring will have arrived while the rest of the country continues to shiver. Ambitious gardeners are already starting seeds indoors or in greenhouses for transplanting within this month. As soon as the ground warms up a bit it is possible to plant peas but they need to be protected with a crop cover cloth like remay to keep the birds from taking out the small plants.

Now is the narrow window of opportunity for spraying fruit trees with lime sulphur / dormant oil spray. The oil component smothers some pest organisms but can be harmful to the tree once the buds have begun to open so you can't delay spraying for very long now.. A dry warm day will allow the spray to dry before evening. The lime sulphur without the oil can also be applied later in the year. This is an acceptable organic gardening practice.

The last garden club meeting heard a presentation by Zac Kregosky on xeriscaping, the practice of gardening and landscaping with limited summer water in mind. Choices around locations, species, composting, mulching and more can help make a garden that requires less water and less work. The meeting also did planning work around our collective seed order and members were able to choose from the seeds donated by Sandra. Thanks Sandra, that is a big saving to our members.

The next meeting of the club will be on Thursday, March 8 and will feature our potluck dinner which will begin at 5:30 to be followed by our regular meeting which includes our usual round table discussion of what our members are up to in their gardens and questions that other members often have answers for. We also have our opportunity table that has plants, cuttings and seeds donated by members that are available for a small financial contribution to the club. Members are reminded to save some plant divisions to bring in for the table. New members are always welcome to the club and there is no membership fee. Hope to see you there.

### SAYWARD TOURISM COMMITTEE UPDATE

The Heritage Hall was abuzz on February 7<sup>th</sup> when the Tourism committee and Sayward Futures sponsored a second meeting to complete the public consultation on tourism in the Sayward Valley. The meeting was designed to provide lots of opportunities to bring out new ideas in small group discussions. All of the ideas that came out have been recorded and systematically preserved for possible action in the future. After a great lunch provided by volunteers the meeting settled down to the difficult task of narrowing down to a limited number of projects and objectives to pursue immediately.

Eleven priorities were selected, some short term (achievable within this year), medium term (achievable with two or three years – some additional funds required), and long term (planning can begin but will take more time and/or money).

#### Short Term

- improve internet / website presentation
- improve the visitor centre at the junction
- create events at the wharf
- develop a trail strategy

#### Medium Term

- improve signage
- create tours
- festivals (music, food, kite)
- find a home for the 1000 faces

#### Long Term

- improvements to the waterfront
- seek more local park designations
- museum / interpretive centre in the village (railway logging, fishing, First Nations)

At the end of the meeting interested people signed up for working groups to carry forward the items above. If you are interested in helping on any of the ideas please come to the next Tourism Committee meeting at 7:00 pm on March 14 in the "age friendly" room at the Kelsey Centre.

**Sayward Futures Society (SFS)** is a not-for-profit organization whose mission is to work in harmony with others to create a sound economic and positive social environment within the Sayward Valley and the Village of Sayward.

Sayward Futures operates the Wharf at Kelsey Bay (including the Sayward Tourist Center, Ocean View Gifts, and Al's Room) and the Elk Creek Campground. It sponsors Canada Day celebrations and operates as an umbrella organization for other area groups, including the Kusam Klimb and Citizens on Patrol.

**Sayward Futures Society has the following job opportunity.**

**Manager**—This is a part-time position responsible for the day-to-day operation and management of a busy not-for-profit organization. The Manager reports to the Board of Directors. Seasonal activities (May-October) require the Manager to be regularly present at the wharf office. Remuneration to be negotiated based on experience and qualifications.

#### Responsibilities

- Conduct human resource requirements including advertising, hiring, scheduling, training, etc.
- Manage & oversee the Wharf.
- Organize and manage the various functions and events for which SFS is responsible including the Bike Rodeo, Canada Day Celebrations and activities at the wharf.
- Ensure SFS activities are safe for all staff, visitors, users & volunteers. Maintain our WCB environment.
- Direction and implement policies as identified by the SFS board of directors.
- Apply for and manage the requirements of various grants, funding, stipends, etc.
- Manage the SFS website & social media presence.

Liaise with the representatives from umbrella organizations, local government, RCMP, DFO, Coast Guard, etc.

#### Qualifications and Experience

- Minimum 2 years' experience managing an office or organization.
- Excellent computer, communication, organization & administrative skills with the ability to maintain a well-organized filing system and work environment.
- Knowledge of non-profit community-based programs and services.
- Comfortable & demonstrated familiarity with workplace safety and business environments.

To apply, please email [sfs@saywardvalley.net](mailto:sfs@saywardvalley.net) with the following information:

- A current resume with details of previous experience, qualifications, etc.
- a cover letter detailing the position applied for and why you are suitable for it.
- Contact details for at least two prior employer references.

Closing Date: March 15, 2018.

## Sayward Emergency Program

The Village of Sayward is seeking a passionate individual to fulfil the position of Emergency Coordinator.

### Job Summary

The Coordinator provides leadership in the development and delivery of operational, and community preparedness efforts, as well as delivering emergency response coordination for the Village as needed. Local governments in BC are legislatively required to have an Emergency Program and Plan in place under BC's *Emergency Program Act*, and the Coordinator fulfills this responsibility by managing the program on behalf of the Village of Sayward. The Coordinator works with other local governments, emergency response agencies and volunteer organizations across the region on planning for efficient and effective emergency services delivery.

### Typical Duties

Manages the Village's emergency preparedness program in collaboration with the Strathcona Regional District's Emergency Program Coordinator. This includes the development of all program materials, emergency preparedness plans, presentations and training.

Represents the Regional District with regard to outreach and communication with Emergency Management BC, Wildfire Branch of Forests, Lands and Natural Resource Operations and other key agencies involved in emergency management and/or response.

Provides long term planning and program development for the Emergency Social Service volunteer team.

Ensures the opening of a Village Emergency Operations Centre.

### Knowledge, Skills and Abilities

Good knowledge of MS Windows and MS Office software.

Good knowledge of current social media software, radio protocols and services and GIS mapping.

Ability to keep accurate and complete records.

Good knowledge of provincial legislation relating to the work, including the British Columbia *Emergency Program Act* and the *Local Authority Emergency Management Regulation* (can be obtained after job commences)

### Required Experience

Moderate knowledge of emergency management protocols, Emergency Support Services or Ground Search and Rescue is considered an asset.

### Required Licenses

Possession of valid BC Class 5 drivers license  
Driver's Abstract  
Criminal Records Check

**This is a volunteer position. All training and travel expenses for meetings reimbursed and a small stipend is provided. To apply or for more information contact [epc@saywardvalley.net](mailto:epc@saywardvalley.net).**

If you are interested in trying this position, the current EPC is willing to work with you until you are ready to take over the position.

## AMATEUR [HAM] RADIO CERTIFICATION COURSE IN SAYWARD

### Sayward – April Weekday Evening Course

**Cost:** \$50, which includes the exam fee and cost of course materials.

**Dates:** Wednesday April 4, Friday April 6, Monday April 9, Monday April 16, Wednesday April 18, Monday April 23, Wednesday April 25, and Friday April 27.

The exam date will be at a later date and that date will be determined by the class participants.

All classes are 6-9 pm throughout the month of April.

**Location:** Multipurpose Room – Kelsey Bay Recreation Centre

**Ages:** All ages

**For information and to register:** Contact Shaun Koopman at 250-830-6702 or [skoopman@srd.ca](mailto:skoopman@srd.ca)

All participants are strongly encouraged to attend an Introduction and Preparation session with the instructors from 7-8:30 pm on Wednesday March 7<sup>th</sup> at the Kelsey Bay Recreation Centre Multipurpose Room to help them obtain a better understanding of the course content and requirements.

Amateur radio brings people, electronics and communication together. People use ham radio to talk across town and around the world, all without the Internet or cell phones. It's fun, social, educational, and can be a lifeline during times of need. Having more certified amateur radio operators in Campbell River and throughout the regional district will greatly increase our community's emergency communications capability. Attending all class dates is encouraged, but not mandatory. Some knowledge of electricity or electronics is helpful, but not essential. Certificates are awarded upon passing the basic exam and are good for life. Once you achieve your certification the Campbell River Amateur Radio Society and Campbell River Emergency Communications Team exist to help new hams develop their skillset further.

If enough people become skilled in Sayward, then the community could establish its own group as well.
