PART 100

ADMINISTRATION

101 Application

- 1) For the purpose of this Bylaw, the Village of Sayward shall be classified and defined into the following zones and their abbreviated equivalents:

Residential One (R-1)	Single family residential zone
Residential/Commercial (RC)	Multifamily/Commercial zone
Residential/Industrial (RI)	Residential/Industrial zone
Rural One (RU-1)	Rural residential zone
Rural ALR (RU-ALR)	Rural residential within ALR zone
Commercial One (C-1)	Commercial zone
Commercial Two C-2)	Tourist Commercial zone
Industrial One (I-1)	Industrial Use zone
Community Facility One (CF-1)	Public Assembly / Institutional zone
Forest One (F-1)	Forest Land Reserve/Silviculture zone
Park One (PA-1)	Community parkland & assembly zone
Park Two (PA-2)	Protected areas (estuary) zone
Access One (AC-1)	Public/recreational water zone
- 2) The areas described in Part 101(1), "Application", are hereby divided into zones contained in this bylaw. The extent of each zone is shown on Schedule A-1 which is attached to and forms part of this bylaw
- 3) Where a zone boundary is designated as following a road allowance or creek, the center of such road allowance or creek shall be the zone boundary.
- 4) Where a zone boundary does not follow a legally defined line and where the distances are not specifically indicated, the location of the boundary shall be determined by scaling from the zoning schedules referred to in Section 101(2).
- 5) Where a parcel is divided by a zone boundary, the areas created by such division shall be deemed to be separate lot areas for the purpose of determining the requirements of this bylaw.
- 6) Where a zone boundary has frontage on the sea, such zoning discontinues at the natural boundary and the foreshore zone for the adjacent area commences.
- 7) Where 2 or more regulations within this bylaw conflict, the more restrictive regulation shall apply.
- 8) Additional dwellings, where permitted by this Bylaw, do not carry with them the privilege of separate ownership in fee simple and permission for additional dwellings is not to be construed in any way as a justification for future subdivision.

102 Permitted Uses

- 1) No land, surface of water, building, or structure in any zone shall be used for any purpose other than those specified for the zone in which it is located as identified on Schedule A-1. Uses not expressly listed as a permitted principal or accessory use within a zone or otherwise noted as being permitted in this bylaw are prohibited.
- 2) Existing lots below the minimum lot area and frontage for subdivision may be used for the permitted uses in any zone, subject to compliance with other provisions identified in this bylaw.
- 3) Any forestry management activity relating to the production and harvesting of timber on any land that is classified as managed forest land pursuant to the Assessment Act or any land within a license area under the Forest Act shall not be restricted by any terms or conditions of the bylaw so long as the land continues to be used only for that purpose.
- 4) Parcels in the Agricultural Land Reserve (ALR) and Forest Land Reserve (FLR) are subject to the Agricultural Land Act and Forest Land Reserve Act respectively and orders of the Land Reserve Commission (LRC). Approval from the LRC may be required to use or subdivide FLR parcels as permitted in this bylaw.
- 5) The permitted uses in any zone may be subject to the approval of federal and provincial agencies as required.

103 Buildings and Structures

- 1) No building or structure shall be constructed, reconstructed, altered, moved or extended by the owner, occupier or other person such that it contravenes the provisions of this bylaw.
- 2) No parcel shall have constructed or placed upon it by the owner, occupier or other person, a greater density of buildings and structures than that permitted by the zone which applies to the parcel.

104 Subdivision

- 1) No land shall be subdivided in contravention of this bylaw or any subdivision control bylaw of the Village of Sayward.

105 Enforcement

- 1) The Chief Administrative Officer is hereby appointed by the Village of Sayward pursuant to Section 268 of the Local Government Act to administer this Bylaw.
- 2) Persons appointed under Subsection (1) may enter at all reasonable times onto any parcel that is subject to this bylaw to ascertain whether the requirements and regulations of the Bylaw are being obeyed.

106 Violation

- 1) It shall be unlawful for any person to cause, suffer or permit any building or structure to be constructed, reconstructed, altered, moved, extended, or used, or land to be occupied or used in contravention of this bylaw or otherwise to contravene or fail to comply with this bylaw except as provided for in the Local Government Act.

- 2) It shall be unlawful for any person to prevent or obstruct any official appointed under Section 105(1) of this bylaw from performing his or her duties under this bylaw.
- 3) Nothing in this bylaw shall exempt any person from complying with the requirements of any other bylaws in force within the Village of Sayward or from obtaining any license, permission, permit authority, or approval required by this or any other bylaw of the Village.

107 Penalty

- 1) Any person who violates the provisions of this bylaw commits an offense and is liable on conviction to a fine not exceeding \$2,000.00 and not less than \$200.00, or imprisonment for a period not exceeding 6 months, or both.
- 2) Each day during which such violation is continued shall be deemed to constitute a new and separate offense.
- 3) Upon conviction, the presiding authority may direct that no prosecution under Subsection (2) may be made, with respect to the continuance of the violation, for such period of time as they direct.

108 Appeals, Amendments, and Permits

- 1) Site-specific exemptions, variances, permits and amendments may be approved as described and permitted within this bylaw or as provided for in Bylaw 310 being the "Permit Procedures and Fees Bylaw, 2000"

109 Severability

- 1) If a court of competent jurisdiction finds a provision of this Bylaw invalid, such decision shall not affect the validity of the remaining portions of this Bylaw.

PART 200

INTERPRETATION

The following definitions shall be used to interpret the regulations of this bylaw. Those definitions borrowed from other statutes or legislation are subject to change and shall be considered amended as Parliament or the Legislative Assembly adopts changes.

PART 300

GENERAL REGULATIONS

301 Uses Permitted In All Zones

- 1) In addition to the uses specifically permitted in particular zones, the following uses are permitted in all zones:
 - a) Utility use;
 - b) Park Use;
 - c) Ecological reserves;
 - d) Fish hatcheries;
 - e) Agricultural use excluding the keeping of livestock;
 - f) Low impact recreation.

302 Uses Prohibited in All Zones

- 1) The following uses are prohibited in all zones unless otherwise permitted in this bylaw:
 - a) The use of a houseboat, float home, or float camp for residential use;
 - b) The use of an accessory building or structure for human habitation;
 - c) Storage of waste and salvage material, except as expressly permitted elsewhere in this bylaw;
 - d) The wrecking or storage of more than one derelict vehicle or as a junkyard, except as expressly permitted elsewhere in this bylaw.

303 Home Based Businesses

- 1) **Home Based Businesses shall be in conformity with the following regulations:**
 - a) The residential character of the building containing the home based business shall be maintained except that one name plate or sign not more than 1.0 square metre (10.8 square feet) in area, may be placed on the property.
 - b) No more than 2 persons outside the immediate family residing on the premises may be employed or otherwise engaged in or assisting the home based business.
 - c) No equipment or process shall be used in such home based business which creates noise, vibration, glare, fumes, odours or electrical interference or nuisance by any other means detectable to the normal senses off the lot.
 - d) The maximum floor area per lot that can be used for home based business use including, storage, processing or sale, shall not exceed more than 51% of the gross floor area of the residential unit and must be carried out completely within an enclosed structure.
 - e) All articles sold through a home based business must be produced, manufactured, or repaired on site, with an exception allowing for the incidental selling of goods not manufactured on site but directly related to the home based business. Up to 20% of the

maximum floor area per lot as outlined in (d) above may be used to sell articles not produced on site.

- f) Articles manufactured off-site may be sold through a home based business provided that persons employed in the home based business will carry out all distribution of articles off site.
- g) Any person intending to operate a home based business shall obtain approval from the Ministry of Health, as required by the Ministry, prior to commencing the home based business on any parcel.
- h) Outside storage of vehicles and equipment used in the operation of the home based business is limited to 3 pieces of equipment, including trucks and trailers.

2) BED AND BREAKFAST

1) Bed and breakfast operations shall be in conformity with the following regulations:

- a) No more than 3 bedrooms may be used for bed and breakfast accommodation per lot. The bedrooms used must be located in a dwelling unit. Use of an accessory building to provide bed and breakfast accommodation is not permitted.
- b) In addition to the parking requirements for the residence, at least one automobile parking space shall be provided on the same lot for each room available for accommodation.
- c) Meals may be provided only to customers of a bed and breakfast operation only.
- d) No more than 2 persons outside the immediate family residing on the premises may be employed or otherwise engaged in or assisting the bed and breakfast operation.
- e) The residential character of the building containing the bed and breakfast shall be maintained except sign not more than 1.0 square metre (10.8 square feet) in area, may be placed on the property.
- f) Notwithstanding the above, any person intending to operate a bed and breakfast shall obtain approval from the Ministry of Health (when required), prior to commencing the operation.

304 Residential Occupancy of Recreational Vehicles

Occupancy of recreational vehicles for residential purposes shall be permitted subject to the following:

- 1) For recreational purposes, within any zone, for a period not to exceed 90 days in any 12 month period, or
- 2) In all zones, as on-site accommodation during the course of construction for a residential unit pursuant to, where applicable, an approved building permit issued by the Village of Sayward provided that:
 - a) Approval for hook-up to water and sewer services has been granted by the Village.
 - b) The period of occupancy of the recreational vehicle does not exceed 365 days. One additional extension of 365 days may be approved by the Chief Administrative Officer, at the request of the property owner.
 - c) The owner of the property or their agent has provided a notarized letter of undertaking wherein they agree to remove the recreational vehicle and/or cease its use as a residence within 365 days and has provided a negotiable security in the form acceptable to the Village in the amount of \$1000.00. This security would be used to cover the enforcement costs of causing the cessation of use should the owner neglect or refuse to cease its use as a residence in accordance with Sections (a), and (b) above.

305 Secondary Residential Use

- 1) Where permitted in this bylaw, secondary residential use must meet the following criteria:
 - a) The suite shall be located within a building of residential occupancy containing only one other dwelling unit.
 - b) The suite shall have a floor space less than 40% of the habitable floor space of the building. (Floor area for the purposes of this calculation does not include attached garages/carports);
 - c) The suite shall have its own access and egress;
 - d) Once approved by the Village, a secondary suite cannot be further subdivided from the building it is part of under the Strata Property Act.
 - e) All secondary suites must be constructed under a valid building permit and have the necessary approvals of the Village of Sayward for sewer, and potable water requirements.

306 Signs

- 1) Signs advertising a business, product or service, excluding home based business, bed and breakfast operations and cottage industrial uses, shall be permitted only on the parcel where the advertised business, product or service is operated or offered, in compliance with any zone or land use regulations regulating their size and location.
- 2) Roof-top, flashing or animated signs are not permitted on any building, structure or site.
- 3) Third party advertising of any type are not permitted on any parcel or structure with the exception of public service and community announcements.

- 4) Temporary on-site real estate signs not exceeding 1.0 square metres (10.8 square feet) in area are permitted in all zones provided that the signs are removed within 2 weeks of completion of the sale of the advertised property.
- 5) Signs for businesses permitted under any zoning designation, with the exception of home based business and cottage industries, shall be subject to the following conditions:
 - a) the maximum total area of all sign faces on a parcel shall be 5.0 square metres (53.8 square feet); and
 - b) the maximum height of a freestanding sign shall be 3.0 metres (9.8 feet).

**307 Buffers/Screening Between
Industrial/Commercial Operations and Residential Areas**

- 1) Where residential or commercial use is developed adjacent or abutting to an existing industrial operation, any buffers or screening required between the two uses shall be provided on the parcel or parcels where residential or commercial use is being established.
- 2) Where an industrial use is developed adjacent or abutting to an existing residential or commercial use, any buffers or screening required between the two uses shall be provided on the parcel or parcels where the industrial use is being established.

308 Fences

- 1) In residential zones, fences shall not exceed 2.0 metres (6.6 feet), except along the front lot line where the height shall not exceed 1.2 metres (3.9 feet).
- 2) In Commercials
- 3) In Industrial zones
- 4) All other zones

309 Manufactured Homes

Where permitted by bylaw, manufactured homes (which includes mobile, modular and park model trailers) shall conform to the following standards:

- 1) All manufactured homes shall conform to Z-240 standards published by the Canadian Standard Association;
- 2) A manufactured home should be skirted from the underside of the floor to the ground level or, in the alternative, shall be installed on a sunken drained pad, in such a way that the underside of the floor is not more than 0.3 m (1 ft) above the finished grade of the ground below;
- 3) All additions or extensions and accessory buildings to a manufactured home shall be of similar construction and exterior finish or appearance as the manufactured home;
- 4) A manufactured home shall be immobilized and securely anchored against the effect of high winds;
- 5) A manufactured home shall be installed on a permanent foundation;
- 6) Foundations for the support of a manufactured home and additions to it shall be designed and installed in accordance with the requirements of the National Building Code.

310 Nuisance

Nothing shall be permitted in any zone which is or can become a nuisance to any person who believes their interest in property is affected, including the surrounding residents and general public, by reason of unsightliness, odour emission, dust, noise, vibration, smoke, or electrical interference, excluding agricultural uses.

PART 400

HEIGHT & SITING SPECIFICATIONS

401 General

- 1) In those zones where accessory buildings are permitted and no permitted principal use exists, an accessory building may be constructed on a parcel provided the building is no greater than 60.0m² (645.8ft²) in total floor area and is used solely by the owner of the same parcel for the storage of personal effects.

402 Buildings and Structures - Height

- 1) Maximum height above natural grade of all buildings and structures shall not exceed:
 - a) 10.0m (32.8ft) for single family residential purposes;
 - b) 12.0metres (39.4ft) for residential and/or commercial purposes;
 - c) The maximum height of all accessory buildings and structures shall not exceed 6.0 metres (19.6 feet).
- 2) The following shall not be subject to the height requirements of this bylaw unless otherwise specified: industrial zoned uses, antennas, church spires, belfries, farm buildings including silos, utility service buildings, flagpoles, monuments, transmission towers, utility poles, warning devices, water tanks, chimneys, ventilation machinery and elevators provided that such structures occupy no more than 20% of the lot, or if situated on a building, not more than 15% of the roof area of the principle building.

403 Buildings and Structures – Siting

Unless specified elsewhere in this Bylaw:

- 1) Principle buildings and structures shall be sited in accordance with specific zone requirements.
- 2) Accessory buildings or structures, unless otherwise provided for in this bylaw:
 - a) Shall be not be located in any front yard;
 - b) May be sited at zero lot line where the height does not exceed 2.5m (8.2ft);
 - c) Shall be sited in accordance with the applicable zone siting requirements where the maximum height is greater than 2.5m (8.2ft) but does not exceed 6.0m (19.6ft)

404 Sight Triangles

No person, being the owner, occupier or lessee of any land at the intersection of two highways shall place or permit to be placed or grow any tree, shrub, plant, fence or other structure with horizontal dimension exceeding 0.6m (2.0ft) within the sight triangle above an elevation such that an eye 0.9m (3.0ft) above the surface of one highway cannot see an object 0.9m (3.0ft) above the surface of the other highway.

405 Siting Exceptions

- 1) Where bay windows, chimneys, cornices, gutters, eaves, leaders, ornamental features, pilasters, service station canopies, sills, or steps project beyond the face of a building, the minimum

- distance to an abutting lot line as permitted elsewhere in this bylaw may be reduced by not more than 0.6m (2.0ft) provided that such reduction shall apply only to the projecting feature, except for a zero lot line in which case no feature shall project over the lot line.
- 2) Where eaves and sunlight controls project beyond the face of a building, the minimum distance to an abutting front, rear and side lot line as permitted elsewhere in this bylaw may be reduced by not more than 50% of such distance up to a maximum of 2.0m (6.6ft), provided that such reduction shall apply only to the projecting feature.
 - 3) Antennas, boat ramps, docks, flagpoles, fish hatcheries and enhancement facilities, freestanding lighting poles, pools, retaining walls less than 2.0m (6.6ft) in height, signs, shoreline protection devices, utility poles, warning devices, wharves and wires may be sited on any portion of a lot. See Section 402.
 - 4) Where a British Columbia Land Surveyor (B.C.L.S.) determines a completed foundation for a building or structure does not meet the required setback from a line lot by no more than 10.0cm (3.9in), the non-conforming siting shall be considered conforming though any subsequent additions to the subject building or structure must comply with the setbacks required in the applicable zone.

Bylaw 311, 2001 – Repeals section 406 FLOODPLAIN REGULATIONS

PART 500

PARKING REQUIREMENTS

501 General Requirements

For every building or structure to be constructed, renovated, or enlarged, off-street parking details shall be provided.

- 1) All parking areas shall be provided with adequate driveways to facilitate vehicular movement to and from all parking spaces. Parking areas on adjoining lots may be served by common exits and entrances.
- 2) Where off-street parking requirements exceed 10 spaces, bicycle parking facilities shall be provided at a ratio of one bicycle space for every 10 automobile spaces.
- 3) Buildings conforming as to use but non-conforming as to required off-street parking spaces may be occupied, but shall not be extended unless the required off-street parking is provided for the entire building.
- 4) When off-street automobile parking is required in accordance with the schedule listed in this section, a plan of the proposed provision suitably drawn to scale showing the off-street parking spaces and access driveways shall be filed with the Village Office prior to issuance of a building permit.

502 Parking Space Size and Location

- 1) All off-street parking spaces shall have a clear length of not less than 6.0m (19.6ft), a clear width of not less than 2.8m (9.2ft), and a clear height of not less than 2.1m (6.9ft).
- 2) No parking space in a parking area shall gain access directly from a street.
- 3) No parking shall be permitted within 1.5m (4.9ft) of any property line.

503 Required Number of Off-Street Parking Spaces

The minimum number of off-street parking spaces shall be provided in accordance with the following table:

1. Off-Street Parking

BUILDING CLASS OR TYPE		REQUIRED NUMBER OF SPACES
a)	Single family dwelling, duplex	2 per dwelling unit
b)	Multi-family unit	1 per dwelling unit
c)	Secondary suite	1 per suite
d)	Senior's housing	1 for each unit
e)	Tourist accommodation	1 per sleeping unit
f)	Commercial	1 per 14m ² (150.7ft ²) of GFR
g)	Automobile sales & service station	1 per employee & 1 per service bay
h)	Restaurants	1 per 5 seats of maximum seating capacity
i)	Licensed establishments	1 per 4 seats of maximum seating capacity

j)	Offices	1 per 80m ² (861.1ft ²) of GFR
k)	Public assembly	1 for each of 2 seats or 1 for each 37 m ² (398.28 ft ²) of GFR, whichever is greater
l)	Schools – elementary	1 per employee
m)	Medical clinic, hospital	1 per employee & 1 per bed
n)	Industrial	1 per 66 m ² (717.6 2ft ²) of GFR
o)	Marina	1 per employee & 1 per 3 moorage space

GFR: gross floor area

MSC: maximum seating capacity

2) MIXED OCCUPANCY

In the case of mixed uses, the total requirements for the off-street parking facilities shall be the sum of the requirements for each use computed separately.

3) LOCATION OF PARKING FACILITIES

- a) Required off-street parking for residential uses, motels and auto courts shall be on the same site/lot as the principal use;
- b) Required off-street parking for uses other than referred to in (a) above shall be on or within 160m (525.93ft) of the site/lot of the permitted use.

4) DRAINAGE

Each parking area shall be so graded and drained as to dispose of all surface water on-site or directed to a storm drainage system.

5) LIGHTING

- a) Each parking area containing more than 3 spaces shall be adequately lighted;
- b) Each parking area which is illuminated shall have the lighting placed in such a manner so as to minimize light falling onto abutting properties.

6) SCREENING OF PARKING AREAS

Where any area adjacent to a residential zone is used for parking purposes of 3 or more vehicles, such land shall be screened from adjoining or adjacent properties and roads, except for the access driveway, by evergreen hedges or by view-obstructing fences or walls of not less than 1.2m (3.9ft).

504 OFF-STREET LOADING

- 1) On every site used as a retail store, business, industry, warehouse or other similar use, the minimum number of spaces shall be as follows:

TOTAL GROSS FLOOR AREA OF BUILDING(S)	SPACES REQUIRED
Less than 470 m ² (5000 ft ²)	1
More than 470 m ²	2
Each additional 2,300 m ²	1

2) EXISTING BUILDINGS, STRUCTURES AND USES

The requirements/provisions of Subsection 1 shall not apply to buildings, structures or uses existing on the effective date of this Bylaw, except that off-street loading shall be provided in accordance with Subsection 1 where there is a change in principal use or where the total floor area is increased in excess of 10% over the existing floor area.

3) DRAINAGE

Each loading area shall be so graded and drained as to dispose of all surface water on-site or directed to a storm drainage system;

4) LIGHTING

Each loading area/space shall be adequately illuminated and any lighting used to illuminate any loading area shall be so arranged that all direct rays of light are reflected upon the loading area and not on any adjoining premises.

505 EXEMPTIONS

Where determined by Council, the provisions of Section 500 "Off-street Parking Requirements" may be waived or reduced in whole or in part.
