The Sayward Volunteer Fire Department is accepting APPLICATIONS FOR RECRUITMENT.

You must be:
Living in the Sayward District Fire protection area, team oriented, healthy/physically fit, and of good character (RCMP security check required).

We offer:
Involvement in community activities ranging from fire fighting, rescues, first responder medical service, to public education events. Paid training is provided.

We are flexible to meet your time commitments, we work around our members lives to make it easy as possible for you to be part of our team. Insurance plans available for both on and off duty. New friends and acquaintances guaranteed. **And lots of fun!** For more information, or to apply please contact the Sayward Volunteer Fire Department @ 250-282-5505 or svfd@saywardvalley.ca or come to our weekly meetings every Thursday @ Fire Hall #1 - 7 PM

Thank You!

Sayward Futures Society gratefully thanks the DFO Marine Mammal Rescue Division for installing a brand new hydrophone at the Kelsey Bay Wharf.

Come down and listen to the whales and other marine life in the Bay on the real-time speaker! What a wonderful addition for locals and visitors!

Thank you DFO for your generous donation

Emergency Phone Notification Systems

Our **phone notification service** requires your assistance. We need new residents to provide us with your phone number and street address so we can add you to our phone notification system. If you move within the community, please let us know so we can send our notices to the correct people. This system is used by the Village's Public Works staff to let Village residents know of problems with the water, sewer or other systems. **It can be used to notify the entire community of any emergency situations. It is important that we keep our resident list current.**

The system only allows for 10 digit phone numbers, no long distance can be used.

If you have not been receiving calls that you know have been sent out, please let us know.

To provide us with your information call the Village Office at (250) 282-5512.

SRD notifications are delivered by both text message and/or voice call to those who have signed up to receive notifications. These notifications are intended to inform residents and visitors alike about incidents that could impact them. Working together, we can take proactive steps to build a safer and more resilient community.

Sign up at <https://strathconard.connectrocket.com>

DEPOT NOTICE

FOAM PACKAGING AND GLASS BOTTLES AND JAR COLLECTION TEMPORARILY SUSPENDED

Due to the unprecedented flooding and resulting transportation challenges and limited access to end markets, starting Monday November 22 until further notice, we cannot accept the following materials:

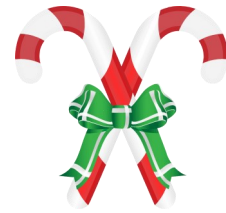

Please try to keep these materials and return at a later date.

We apologize for the inconvenience and thank you for your patience.

Secret Santa

It's that time of year again!

Hi. It's that time of year where the Sayward Village and Valley Secret Santa request your assistance. Last year we were able to provide hampers and gifts to approximately 30 families and expect the number to increase this year. All donations of cash, toys or food would be greatly appreciated. If you are able to contribute to this worthy cause, please contact Tessa at 250-287-6884, tballentine53@yahoo.com or donations will also be accepted at the Village of Sayward office.

Sayward RCMP December Report

With winter being upon us, and colder temperatures, we would like to remind everyone that Highway 19 from Campbell River north to Port Hardy, and Highway 28 to Gold River are designated as Winter Tires and/or Chains routes. For most folks driving a car, SUV, or pickup truck it means you must use winter tires marked M+S.

The following events occurred and are unsolved. The RCMP would be interested in any information that could further these files.

Sometime around September 15th, someone broke into Sayward Village recycling location, causing some damage, Sayward file 2021-405.

September 17th, tools and wood stolen from Sayward Burial Park, Sayward file 2021-406.

September 21st, someone broke the lock and stole cash box from a local farm stand on the Island Highway, Sayward file 2021-408.

There has been reports of theft of catalytic converters from Eve River log sort area, Sayward file 2021-428.

It appears there has been a rise of suspicious occurrences, and some thefts from properties in Sayward valley and the village. This behavior and actions by some only create divide between residents, and cause grief where it should not be. Always make sure that you are securing your valuables, and keep an eye open for suspicious people that would lurk where they do not belong.

Bicycles, and Helmets: helmets are mandatory when riding a bicycle. Failure to wear one could result in a contravention of no less than \$29 issued to the rider. Also wearing bright or reflective colors on evenings and nighttime is essential for everyone's safety. The bicycle helmet regulation will be enforced, wear an approved bicycle helmet if you are riding.

The Sayward RCMP is always available and can be reached at 250-282-5522.

On a different note, I would like to take this opportunity to thank you, Saywardians, for welcoming me during my time in Sayward. It is sadly time for me to be transferred, and will miss Sayward very much so. You have a great community with a heart of gold, and Sayward will always be a good part of me. I will not say goodbyes, rather will finish with this, until we meet again. Stay safe everyone, and keep waving at people, this is awesome. **Francois.**

The Royal Canadian Legion, Sayward Branch:

It is my pleasure to announce that I have budgeted \$50,000.00 for the Sayward Legion to pay for renovations to the building and upgrades to the kitchen and plumbing. I have sourced all of this money from the Federal Government's Community Works Fund at no cost whatsoever to Area 'A' taxpayers. Our local Legion Hall is an important asset for all of us and has been a vibrant part of our community for many years. I am delighted that Area 'A' can assist in this way to get our Legion functioning again to its full potential for many more years to come.

Comox Strathcona Regional Hospital District:

This item keeps coming back every year. The background is that local governments are responsible to fund 40% of the capital costs of acute care facilities (hospitals), and the province is responsible for 60% of those costs plus 100% of all long-term care facilities. Therefore, our Hospital Board raised our tax requisition on a one project basis to \$12.6 M per year to pay for our two new hospitals, one in Comox and one in Campbell River. These hospitals will be completely paid for by 2028. Unfortunately and against our will, Island Health which has complete control, built these hospitals with less beds than required to accommodate the current patient load and therefore they are already over capacity. Their solution is now to build a 150 bed long-term care (LTC) facility in Campbell River, and move the patients who do not require acute care out of the hospital and into LTC in order to reduce the over capacity in the hospital. That is a good thing to do because it costs the province \$1,000.00 per day to keep a patient in the hospital as opposed to \$250.00 in LTC.

But the catch is that Island Health wants us to pay 40% of this LTC facility which is clearly 100% a provincial responsibility. This is big time downloading of provincial costs onto our property taxes. At our CSRHD board meeting of Nov 18, I argued against this. One of my points was that by moving just one patient from acute care to LTC the province would save \$750.00 per day which over 4 years would equal over a \$1M. By moving 50 patients the province will pocket over \$50M which is more than enough to build their 150 bed LTC unit. Therefore, they have no need at all to pressure us to subsidize the LTC facility which is their sole responsibility to undertake. Unfortunately, the majority of the Board seem all too willing not only to keep our extremely high tax requisition but also to deplete our hospital reserve funds in order to accommodate Island Health's request. At the very least they have a moral obligation to seek consent from our constituents and this is another point that I will continue to push. On Nov 18 they passed a motion, "THAT the Comox Strathcona Regional Hospital District Board direct that further assessment and analysis be undertaken, in partnership with Island Health, to explore the required policies, agreements and financial plans for (among other things): supporting a long-term care facility in Campbell River". Area 'D' and I were the only two Directors to vote against it. This motion is only a preliminary step, but in my opinion a step in the wrong direction.

If you have any questions on this or any other issues, please do not hesitate to contact me.

Gerald Whalley
 Regional Director (Area 'A')

THIS EVENT IS LIMITED TO 50 PEOPLE

Light up Sayward

Join us for our first annual Light up the Village and Valley of Sayward!
For a fun filled, family evening for everyone.

Dec.17th, 2021

Light up your home...we'll be giving out locally sponsored prizes in both
the Village and the Valley for the best light displays.

You can participate by registering your name and address or nominate
someone you know, with the Fire Department at 250 282- 5505

Judging will take place on the evening of Dec.16th by Sayward's Mayor and Councillors, as well as the Area A Director.

After the light parade, ending at the Village gazebo with hot chocolate and hotdogs (sponsored by Sayward Futures Society),
we'll wrap up the evening by announcing the winners of the best light displays and the lighting up of a Village tree.

This is a free event, but we will be collecting donations for the foodbank.

All foodbank donations will go towards local families in need.

Sincere thanks go to the many volunteers who helped co-ordinate this
event and the generous donations of our local businesses for the light prizes:

Sayward Valley Resort and RV Park

Mid Island CO-OP

Crossroads Restaurant and Pub

Sayward Futures

Delivery Mills

Special thanks go out to the Sayward Volunteer Fire Department.
