

Kindling Community Kindness Project

The Village of Sayward and Sayward Futures Society are partnering together in 2022 to match Village seniors that have unmet needs with community helpers.

Are you a senior living in the Village of Sayward and need help with:

- snow removal?
- yard work?
- removal of recycling?
- grocery shopping and delivery?
- letter writing?
- other tasks?

We want to hear from you! Please contact the Village office at 250-282-5512

This project has been funded by the Village of Sayward and the Healthy Communities Fund. The Healthy Communities Fund is part of PlanH, a partnership between BC Healthy Communities Society and the BC Ministry of Health, and is informed by health authorities and other stakeholders. PlanH creates healthier communities by supporting partnerships across sectors, providing learning opportunities, resources, and consultation, and facilitating leading-edge practices and collaborative local action.

Volunteers needed!

This program will provide a stipend/honorarium for all volunteers that are matched with seniors in our community. If you have a few hours of time to donate please contact the Village of Sayward at 250-282-5512 to be added to our growing list of helpers.
