

Weather Advisory

Date | Time: 11/2/2022 10:38 AM

Via email

Attention: Stakeholders

Event Type: Heavy Rain & Strong Winds

A weather event is anticipated to impact the Northern Vancouver Island service area over the next 24-72 hours. An atmospheric river is anticipated to bring continuous heavy rain of 30 to 70mm and strong winds of 40-80km/h.

In anticipation Mainroad Crews will be patrolling on all service area highways until the event passes, roadways are clear and back to normal. Be prepared for changing road conditions, water pooling and falling debris. Sandbags are available at the front gates of Mainroad North Island Contracting: 3190 Royston Road, Cumberland BC

Please drive with caution, watch for roadside crews and before heading out, check www.DriveBC.ca for road condition updates.

Our 24-hour communications and dispatch office will pass on all your observations and concerns to our crews when contacted.

See an issue on North Island Highways? Give us a call!
