Emergency Phone Notification System

The Village of Sayward in conjunction with the Strathcona Regional District uses **Alertable** as our public emergency mass notification service.

Alertable can notify residents, visitors, and businesses of emergencies in a timely manner to people who subscribe to receive these alerts. It can also be used to notify residents of other non-emergency items such as scheduled road closures, power outages, water and sewer alerts, and much more. This service is free.

The system is compatible with mobile phones, tablets, computers or smart speakers. It can also send alerts via text message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village website here: <https://www.sayward.ca/municipal-services/emergency-services/alertsnotifications>

Sayward Valley Folk Music Society News

Village of
Sayward

These past few years, since Covid, have been difficult for everyone. The arts were hit especially hard. Artists and organizations alike are working hard to regain their audiences. Fortunately, with the support of Sayward Futures and the Village of Sayward, SVFMS has been able to return to the Kelsey Centre - to a community ready, willing, and thrilled to show up for our concert series. It has been absolutely amazing to gather together again with friends and family.

Our thanks goes out to all those who have continued to support our dream of bringing live music by gifted artists to the people of Sayward; to our volunteers, through ticket sales, memberships and admission at the door. There is no music without musicians, but there is no venue without an audience. So, please do keep coming out and do spread the word SVFMS is back in action and there is no better place to be on a Sunday night. We look forward to another year of great music and fine community.

Please join us for an evening of great folk rock from the 60's and 70's and sweet original songs as we welcome Canadian singer/songwriter **John Michael Lind** in concert on **Sunday, April 16, at 7:00 PM**, at the **Kelsey Centre**.

John's rich tenor voice, driving rhythm guitar and heart to heart audience connection has made him a popular feature in concert venues and folk festivals throughout Canada.

Advance tickets are **\$20**, available at the **Fisherboy Store**, at the **Kelsey Centre**, and the **Music Plant** in Campbell River. **Admission at the door is \$25.00/person**. Children under 16 are free when accompanied and supervised by an adult. Annual memberships are available. For more information phone Bob at 250 282-0134 or go to **Jmlmusic.com**

Our next concert features Mark Wonneck and Peter Paul VanCamp on Sunday May 14, 2023

Garden Club News

Early Spring has been with us for a few weeks and it has been a good time to weed the perennial flower beds. The weeds are generally small and easy to dig out. Once the bulbs have come up it is safer to dig around.

Spraying fruit trees with lime sulphur/dormant oil spray (organically acceptable) will reduce pests such as scab on apples. It's also a good time to prune for direction before the Spring growth takes place.

Our March club meeting was a great success. Many of us are starting to plant flowers, berries and vegetables mixed in the same bed. Our speaker, Lucretia Sharnfarber was an inspiration, showing us how she gardens in plant guilds of varying heights in permaculture beds. It was great to see so many new faces including many younger gardeners.

Our local library is part of a VIRL presentation of a Virtual Gardening Series. The next episode is "Growing Vegetables For Winter Storage" on April 3. Ask at the library or visit virl.bc.ca/tag/VGS.

The next meeting of the club will feature our continuing Opportunity Table and a round table discussion of what we are up to and questions and answers. **Please join us at the Heritage Hall at 7:00, Thursday April 13.**

DID YOU KNOW?

From the coordinator Ann Vansnick: Ever wonder what inspired the annual Easter egg hunt? We have lots of new members in our community; I will do my best to explain. When I first got involved it was the owner of the Cable House Lorna Duncan who hosted a free Easter Egg Hunt at The Original Cable Cookhouse. This event was free for the community. There was a bonnet contest, and a colouring contest. When the Cable closed we didn't want to see the hunt end. So Laura Thiessen (from The Crossroads) and I, Ann Vansnick went to the SCRA-Heritage Hall and asked if the hall could host the annual Easter egg hunt and keep the tradition going.
