Emergency Phone Notification System

The Village of Sayward in conjunction with the Strathcona Regional District uses **Alertable** as our public emergency mass notification service.

Alertable can notify residents, visitors, and businesses of emergencies in a timely manner to people who subscribe to receive these alerts. It can also be used to notify residents of other non-emergency items such as scheduled road closures, power outages, water and sewer alerts, and much more. This service is free.

The system is compatible with mobile phones, tablets, computers or smart speakers. It can also send alerts via text message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village website here: <https://www.sayward.ca/municipal-services/emergency-services/alertsnotifications>

Hot Tips for the Hot Season!

As we now are in the warmest months of the year in our area the world, here are some things to consider or action for your own safety and protection.

1. To report a wildfire or irresponsible behaviour that could start a wildfire in British Columbia, please call: **1 800 663-5555** or **(*5555** from a cell phone) **as soon as possible**.
2. Have a person who has agreed to be your contact outside of this area, and ideally outside of BC, so they will be the person you can call to let them know your status and location in case of any emergency evacuation.
3. Prepared BC has a number of Emergency Preparedness Guides available including one titled – The Extreme Heat Preparedness Guide. The path on the internet to get to all the guides is – gov.bc.ca / then go to the headings - public safety and emergency services/emergency management /public preparedness and recovery.
4. Key Extreme Heat considerations include the following:
 - A. Drink water regularly / at least hourly whether you feel thirsty or not.
 - B. Shade your windows during the hottest part of the day and let cool night air in later.
 - C. Check on seniors who are living alone.
 - D. Avoid heavy exertion and protect yourself from the damaging rays of the sun.
5. Have your Grab & Go Kit contents adjusted for the summer season and be sure to include any needed medications and/or important papers.
6. Consider joining our Emergency Social Services (ESS) team of volunteers available to support our community in times of emergency. Enjoy free courses, great support, and great people.
7. Consider attaining one of the affordable Walkie Talkie Radios which require no license and can be used as another tool of communication in emergencies or at other times too.

Note – **Every Wednesday Evening from 6:30PM to 7:00PM** is “Walkie Talkie Wednesday” in Sayward. Turn your radio on to Channel 4 in that time slot and see who you can hear and transmit too. The Sayward EPC will be live on-air at those times out of the Sayward Village Office and will now be going by the “handle” of “Wailin’ Walker” but you can talk to any one you hear on Channel 4.

Stay Careful and Cool!

If you would like to learn more about ESS please contact your Emergency Program Coordinator (EPC), Tom Tinsley, at 250-898-7067

The Sayward Volunteer Fire Department is accepting APPLICATIONS FOR RECRUITMENT.

You must be:

Living in the Sayward District Fire protection area, team oriented, healthy/physically fit, and of good character (RCMP security check required).

We offer:

Involvement in community activities ranging from fire fighting, rescues, first responder medical service, to public education events. Paid training is provided.

We are flexible to meet your time commitments, we work around our members lives to make it easy as possible for you to be part of our team. Insurance plans available for both on and off duty. New friends and acquaintances guaranteed.

And lots of fun!

For more information, or to apply please contact the Sayward Volunteer Fire Department @ 250-282-5505 or svfd@saywardvalley.ca or come to our weekly meetings every Monday @ Fire Hall #1 - 7:00pm

Village of Sayward

According to the Old Farmer's Almanac, much of the country is in for a "sizzling summer".

Watering restrictions within the Village of Sayward may come into effect at any time. Stay up to date by visiting us on Facebook or www.sayward.ca/news

Open burning—or burning outdoors—is now **restricted until October 31, 2023.**

Campfires are still permitted, but this may change at any time. Stay up to date by visiting <https://www2.gov.bc.ca/> and searching Coastal Fire ban or visit www.sayward.ca/news

Property Tax Notices have now been mailed. Some of you received pink reminders to update your mailing address (PO Box #) with BC Assessment. If this is you, please go to: <https://info.bccassessment.ca/Services-products/update-your-property-information> or call: 1-866-825-8322

Village of Sayward

Sayward Recycling Depot

Monday, Wednesday, & Friday 7:30 am to 8:30 pm
Sunday 8:30 am to 5:00 pm

Thanks to our new camera system, we have observed many residents climbing into the large Sea Can metal bin. This is an extremely dangerous activity and should it continue, the privilege of having metal recycling in Sayward may be revoked. It would be a shame for all residents to suffer due to a handful of culprits.

Also, we have witnessed many residents dropping off items that are garbage, not recycling. These items include, but are not limited to: fiberglass truck canopies, linoleum flooring, carpet underlay, rocking chairs, bags of rotten food, clothing, mirrors, window glass, garden hoses, dinner plates, and coffee mugs.

If you are unsure if something is recyclable, visit <https://www.cswm.ca/recycling/what-can-i-recycle> or <https://recyclebc.ca/>

Remember to sort all your recycling and ensure items are *rinsed clean*. Bears are active in our area, so let's minimize attractants as much as possible.

*We do want to celebrate those of you that follow the guidelines. Thank you!
The more we recycle the less that goes into the landfill.*

Sayward Valley Folk Music Society News

On Sunday, June 11, at the Kelsey Centre, we are pleased to be featuring the folk group **The Awakeners** in concert.

Traveling through North America and Europe, this nomadic group of 6 multi-instrumentalists and singers has been recognized and applauded by appreciative audiences for their genre bending blend of acoustic folk. Segueing from foot stomping fiddle tunes to songs of mindfulness, or meditative songs of nature, their music centers on honest vocals with rich harmonies and diverse acoustic instrumentation. If you have not had the pleasure of hearing the Awakeners in concert, you are in for a real treat. They have been performing in the Campbell River area and will be featured at Musicfest in July. We are fortunate to have been able to book them for our June concert.

As with all our concerts, we bring talented acts to perform in Sayward for the community to enjoy. These are family events and we work hard to put together these concerts for the entire family to enjoy.

The Awakeners take the stage at 7:00, Doors open @ 6:30 Advance tickets are \$20 and are available until 2:00 the day of the concert, at the Fisherboy Store, the Kelsey Centre, and The Music Plant in Campbell River. Admission at the door is \$25.

If you would like to be a volunteer or to host our musicians please feel free to contact Bob Sampson @ 282-0134.

Kelsey Centre Seasonal Closure

The Sayward Kelsey Centre will be closing for the season
Wednesday May 31st 2023 at 7:00pm

We would like to thank everyone who attended our programs and helped make this year special. We look forward to bringing you even more special events and programs this coming fall.

Community Garden Update

The hot weather has arrived in Sayward and it's time to fill up the Community Garden! With only a couple of plots left, check in with the Village Of Sayward office or contact me directly and I will help you out. The community garden is a great place to grow your own fruit, herbs and flowers that support bees. Water is provided and there is a hose that reaches all raised bed plots. You will have to do a little weeding and soil preparation as any gardener does before planting. This is a great opportunity to learn to garden or for children to participate in food production. All the current community gardeners are friendly and always looking to share tips and information.

The community garden is located behind the Village of Sayward Works Yard so come have a look.

Sayward School PAC Bottle Sorting

We are accepting donations at the school

How does it work?

Call the school 282-3314 to let us know that you'll be dropping them off at the front door and we will take it from there!

All funds collected go towards field trips.

Thank you for your generous donations!

"Do you have a student in our school? To stay in the loop, we encourage and welcome you to Like our Sayward School Page and join our Sayward School PAC group on Facebook!"

SAYWARD FUTURES SOCIETY

Our Community, Our Future

SAYWARD FOOD CENTRE

Sayward Futures Society continues to support food insecurity through our partnership with Loaves & Fishes Community Food Bank every month. The astronomical rise in food costs is having a terrible impact on people. If you or someone you know is experiencing food insecurity, please register, with complete anonymity, with the Sayward Health Clinic ~ 250.282.3815 or the Sayward Ambulance ~ 250.230.4501. When you register please indicate whether you wish to pick up your box or have it delivered right to your door.

In addition, we would like to gratefully acknowledge the Heritage Hall board of directors as they have graciously opened their doors to the Sayward Futures Society volunteers in order to accommodate the sorting and distribution of our monthly food boxes — thank you!

Sayward Futures Society AGM ~ June 12, 2023 at 7:00pm at Kelsey Bay Wharf

CANADA DAY ~ THANK YOU!

We would like to thank the Village of Sayward Mayor, Council, Administration & Public Works staff, and our District Area Representative for the support provided for this year's Canada Day Celebrations! Your support has made this year's Canada Day Celebrations possible and it promises to be fantastic! We look forward to seeing everyone there!

What is... *The Sayward Community Food Table??*

We are a group of citizens interested in *Food Sovereignty* and long term *Food Security* here in the Sayward Region. We are working toward creating a board of directors so the **Sayward Community Food Table** can become a registered BC Society. Once we are a registered society we can access grant funding to support food security initiatives such as the development of community gardens, workshops for food literacy, food gardening, food processing and food preservation.

Whether you're a farmer, a jam maker, a chef, a business owner, or simply an individual trying to feed your family, please join us in the creation of this vital community asset that will benefit our whole community!
