Emergency Phone Notification System

The Village of Sayward in conjunction with the Strathcona
Regional District uses **Alertable** as our public emergency
mass notification service.

Alertable can notify residents, visitors, and businesses of
emergencies in a timely manner to people who subscribe to
receive these alerts. It can also be used to notify residents of
other non-emergency items such as scheduled road closures,
power outages, water and sewer alerts, and much more.
This service is free.

The system is compatible with mobile phones, tablets,
computers or smart speakers. It can also send alerts via text
message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village
website here: [https://www.sayward.ca/municipal-services/

Emergency Preparedness Corner

Some 4 letter words have arrived here early this year – RISK, HEAT, FIRE,
and a 5 letter related word to round it out – WATER.

Here are some things to consider and be aware of to help protect yourself, your family, and your community:

1. The early heat this year has reduced snow packs in the mountains dramatically and so you need to do everything you can to reduce your use of water and follow local water restrictions which are always available on the Village Website.
2. Protect your access to fresh water by ensuring that you have a fresh supply stored in accessible containers that will be enough for each person in your home to survive for at least 72 hours in an emergency.
3. Follow all fire restrictions to the letter and report anyone observed creating irresponsible fire risk.
4. To report a wildfire or irresponsible behaviour that could start a wildfire in British Columbia, please call [1 800 663-5555](tel:18006635555) or [\(*5555](tel:18006635555) from a cell phone) as soon as possible.
5. Make sure you are signed up for the FREE Alertable service so you can receive emergency Alerts direct to your home phone or other device. If you haven't already signed up then go to the Emergency Services section of the Village web-site to sign up today!
6. If an Alert is received about a heightened state of risk, read the information carefully and follow any instructions. Only rely on information available from Alertable and other credible sources such as, in the case of fire risk, the BC Wild-fire Services website or BC's Emergency Management Climate Readiness (EMCR) website. There is also an Information Officer the public can call at the BC Coastal Fire Centre if they have additional questions about a fire situation and the phone number is 250-951-4209 Mon-Fri 8AM to 10PM and Sat & Sun 10AM to 10PM
7. Make sure that in addition to yourselves as humans, you also have a plan for your pets or other animals should an evacuation event occur.
8. Make sure you have your "GAG BAG" i.e. Grab and Go Bag, stocked and ready to go at all times with the vital items you'll need for at least 72 hours survival.
9. Remain calm in any emergency and follow the directions of officials while also helping others where possible.
10. Consider joining our Emergency Social Services (ESS) team of volunteers available to support our community in times of emergency. To have a Power Point Presentation emailed to you that has further information about ESS volunteer-ing, call or send a text to your Sayward EPC at 250-898-7067 with your request and your email address.

Attain a Walkie Talkie (FRS Radio) and call in on Channel 4 on Wednesday's from 6:30PM to 7:00PM to check your radio operation with others using and monitoring that Channel 4 station at that time.

Enjoy this summer while being prepared and cautious!

If you would like to learn more about ESS please contact your Emergency Program Coordinator (EPC), Tom Tinsley, at 250-898-7067

Sayward Valley Folk Music Society News

To avoid any confusion, our Sunday night concert series will continue to be held at the Kelsey Centre throughout the summer. Advance tickets for the events will be available at the village office until the Friday before the concert.

Tickets are also available at the Fisherboy store and the MusicPlant in Campbell River.

On **Sunday, July 9 at 7:00pm** we will be featuring the folk trio **Eastern Tradition in concert**. **Eastern Tradition** is comprised of Perry Johnson (guitar, vocals), Robert Cluett (Button Accordion, vocals), and Heather Sprout (vocals). Both Perry and Robert were born and raised in Newfoundland. Heather is from coastal BC and has the distinction of being a former Mayor of Sayward. Together they offer sets of songs and tunes that are connected to the Canadian Maritime provinces.

Doors open at 6:30. Advance tickets are \$20.00/person. Admission at the Door is \$25.00. Children 16 and under are free when accompanied by an adult.

Support from the Village of Sayward, Sayward Futures, and the community help us to continue with concerts such as these throughout the year.

Cost is by Donation

Clinic Corner News

With wildfire season upon us, our air quality is affected. Anyone with breathing issues such as Asthma or COPD, should keep their doors and windows closed. On days that the wildfire smoke is really bad, everyone should keep their doors and windows closed.

As we approach hotter days, this is a reminder to stay hydrated and to do exertional work in the mornings or evenings, not during the heat of the day.

Just a reminder that the Clinic is a Scent Free Facility. Please refrain from wearing any perfume or cologne or other scented products.

SAYWARD FUTURES SOCIETY
Our Community, Our Future

THANK YOU!!

**ONCE AGAIN YOU HELPED
MAKE SAYWARD'S
CANADA DAY CELEBRATIONS
FANTASTIC!!**

On July 1, 2023 Sayward Futures Society held the Annual Canada Day Celebrations in collaboration and with generous support from the Village of Sayward and the Strathcona Regional District. This event was once again a great success, due to the support of our many sponsors, the hard work of our many volunteers, all of the enthusiastic parade participants and to you — the whole of our community as well as the Sayward Fire Department, and Ambulance Service, the Village of Sayward's Administration and Public Works employees!

Special thanks to Grieg Seafood BC, Western Forest Products, Mid Island Co-op Gas Bar & Grocery Store, Thrifty Foods, Island Foods and Tim Hortons for their generous contributions! Hundreds of residents and visitors enjoyed the colourful parade, the children's activities, live music, salmon & hot dog BBQ's, refreshments, snacks, as well as a Canada Day cake.

As we are a non-profit society we depend on donations and sponsorship to carry on traditions like the Canada Day festivities. We are proud to host this annual event and offer you our sincere appreciation and gratitude for your continued support and encouragement!

THANK YOU!

2023 Watering Restrictions

The Village of Sayward is implementing watering restrictions. Authority to restrict water usage is set out in Water Regulation Bylaw No. 391.

The following water restrictions are effective from June 15, 2023, to September 30, 2023:

Watering is only permitted between the following hours on your designated day:

**6 AM to 10 AM; and
6 PM to 10 PM**

Residences with address numbers ending in an even number (e.g. 110 Dyer Dr.), watering is allowed on even days of the month (June 24, 26, 28, 30, etc.).

Residences with address numbers ending in an odd number (e.g. 111 Dyer Dr.), watering is allowed on odd days of the month (June 23, 25, 27, 29 etc.).

These restrictions are intended to ensure that ALL residents receive an adequate supply of water throughout the summer months and that sufficient reserve supplies are available should they be required for emergency firefighting purposes.

PLEASE NOTE: The washing of parking lots, driveways, automobiles, boats etc. is discouraged, and if pursued, is only permitted on the residents' designated days before 10:00 am and after 6:00 pm.

2023 PERMISSIVE TAX EXEMPTIONS

Council is beginning the process for considering Permissive Tax Exemptions for the 2023 taxation year.

A permissive tax exemption is a means for Council to support organizations within the community which further Council's objectives of enhancing quality of life (economic, social, cultural) and delivering services economically. A policy guide is available to help identify organizations that meet Council's objectives.

The Policy and application are available at the Village office or on our website. Applications must be received at the Village by August 1st to be considered for 2023.

The Sayward Community Health Society is pleased to announce that the much-requested service of massage is returning to the Clinic.

The Society has offered practice space to independent practitioner and Sayward resident, Diane Haynes, of Bliss Village Holistic.

Diane is a certified holistic healer (1995), yoga teacher (2015), and permaculture designer (2019) with a degree in the study of world religions. A medical intuitive, Diane has followed a shamanic path for over 30 years. Her practice is founded on the understanding that we are made to heal.

Current offerings:

- ~ Relaxation Massage
- ~ The Gardener's Gift
- ~ Lomi Lomi (Hawai'ian massage)
- ~ Hot Stone Massage
- ~ Yoga Nidra + Massage

Massage* will be available at the Clinic on Fridays and Saturdays starting July 7. Bookings may be made through the Bliss Village Holistic page on Facebook, or at Diane's table at the Sayward Saturday Market. All sessions are \$90/hr. Appointments will take place at the Sayward Primary Health Clinic, 601 Kelsey Way, Sayward. Please do not call the Clinic for information, but contact Diane directly.

*Diane is a non-registered practitioner. Treatments are not eligible for insurance reimbursements. Diane is currently booking appointments for women only, but is looking into possibilities for expanding her practice.

Notice of Intent to Treat

Pest Management Plan (PMP) ID# 111-0232-21-26

Applicant: Western Forest Products Inc., Mid Island Forest Operation, 8010 N. Island Highway, Campbell River, V9W 5E1, PO Box 6000

Primary Contact: Shawn Crawford, RFT at scrawford@westernforest.com or 250-287-5037

WFP's Mid Island Forest Operation is planning to chemically brush 4 blocks totaling approximately 41.9 hectares within TFL 39 Block 2 between July 24th and October 31st, 2023 using a basal bark application of Triclopyr Ester. Target species are Red Alder, Cottonwood, and Big Leaf Maple. Basal bark treatment is a selective, precise, and highly effective method of application which utilizes a low volume of herbicide.

The closest community to the plan area is Sayward, which is protected within the herbicide exclusion zone (HEZ). The HEZ (9,380 hectares) was developed in 2015 with input from Sayward and Campbell River residents and captures water intakes, the community watershed, the Salmon Brewster horse trail, and other areas of public sensitivity. Additionally, please note that, as outlined in our Pest Management Plan, blocks with chemical brushing will still have Pesticide Free Zones (PFZs) established along both wet & dry riparian features and the application is subject to weather-based constraints related to wind and precipitation.

Any person wishing to contribute information about, or wanting to discuss, a proposed treatment site may reach out using the address/email/phone number above.

Jack "Paul" Martin 1948-2023

We are deeply saddened to announce the sudden and unexpected passing of Jack "Paul" Martin in early June. He is survived by daughter Tanya, son Keith (Chelsea), grandson Landon, siblings Jennette (Larry), Rick (Kellie), Wayne (Val) and Lorraine as well as his nieces and nephews and extended family.

Paul was born on June 27th, 1948 in New Westminster, BC to Jack Martin and Marie Therese Brissette. He spent his childhood on northern Vancouver Island residing in Telegraph Cove and Nimpkish logging camp. He attended Kokish and Woss Lake school. His family moved to Nanaimo when Paul was in Grade 12 where he graduated from NDSS in 1966. As a young man he spent 6 months travelling the world with lifelong friend John Kollman. In 1970 he started working as a warehouseman for Canfor/WFP. He worked there for 50 years, both in Nimpkish and Woss. He married in 1977 and had a daughter and son in the late 70's. The family resided in Nimpkish until 1983 and then Sayward where Paul resided until his passing.

Paul was a true lover of north island nature and the quiet life. His passions were gardening (especially tomatoes and potatoes), fishing (especially for trout), playing baseball in his younger adult years and watching the Toronto Blue Jays in more recent years. He also loved watching hockey, favouring the Montreal Canadiens. His love of sports turned into a passion for sports paraphernalia.

In his late 50's he participated in a 23k event in Sayward called the Kusam Klimb. He fell in love with the mountain and the event. Since his first Klimb he has participated in each one up until the last one held in 2019. He told everyone he knew and met about the event and many joined him to participate. Paul loved making meaningful connections and having a positive impact with those that he encountered in his day to day life. He already is and will continue to be missed immensely by family and friends.

Please join us to celebrate his life on July 8th, 2023 at 2:30pm at the Sayward Heritage Hall. If you plan to attend please email ckmartin@live.ca Thank you.
