While there are still warm days ahead to enjoy and help our gardens grow, autumn will soon be in the air and it's back to school time. Please remember to be safe, drive responsibly and respect the school zone, speed limits and the school bus. The Kelsey Centre Fall & Winter 2024 Recreation Guide is featured as brochure insert in this issue. The Kelsey Centre re-opens on September 9th and the pool on October 2nd. As a small community we are fortunate to have this recreation facility with a dedicated and experienced team. Welcome back to our amazing program leaders, lifeguards and instructors lead by manager Michelle Davis Brickwood. The After School Program is being increased to five days a week. The weight room features a new rowing machine and will also be open five days a week. Senior's programs and carpet bowling continue to be popular and keep any eye out for special event announcements. The Kelsey Centre facilities can made available for event and activity rentals.

Garden Club News

An important part of gardening is the harvest phase and the “putting away” aspect of our rewarding hobby. Of course, there is always the weeding to be done to ensure that none of the weeds go to seed. As the vegetables are taken out there is an opportunity to apply some slow acting lime to neutralize the excess acid in our soil.

The Garden Club will resume our regular meeting schedule of the second Thursday of each month on Thursday, September 12. This meeting, at the Heritage Hall, will feature our Fall pot luck dinner which is always a delicious occasion with dishes made from our gardens. As well we will share excesses from our gardens on our “opportunity table”. Members can also bring in cuttings, plants and plant divisions to share with other members. Small voluntary cash donations can be made in appreciation for the plants and food available.

The members can gather at 5:30 and dinner will begin around 6:00. If you are not able to come to the dinner you can still attend the regular meeting beginning at 7:00. We are always pleased to welcome new members. Be they experienced or novice gardeners. Hope to see you, until then, happy gardening

The Village of Sayward in conjunction with the Strathcona Regional District uses **Alertable** as our public emergency mass notification service.

Alertable can notify residents, visitors, and businesses of emergencies in a timely manner to people who subscribe to receive these alerts. It can also be used to notify residents of other non-emergency items such as scheduled road closures, power outages, water and sewer alerts, and much more. This service is free.

The system is compatible with mobile phones, tablets, computers or smart speakers. It can also send alerts via text message, voice calls to land lines, and e-mail.

The link to **sign up** for this system is located on the Village website here: <https://www.sayward.ca/municipal-services/emergency-services/alertsnotifications>

Summer holidays are coming to an end and school is around the corner. Just a reminder that if you or your child is sick with something caused by a virus or bacteria, please do not send your child to school and you should be thinking about whether it is a good idea to go to work. Wash hands and cough/sneeze into your elbow. We can all try and reduce the spread of viruses by doing some simple things.

in Concert

Sunday September 8 @ 7:00

With guitars in hand and tales to tell, **Saskia Delorande & Nathan Tinkham** bring the heart and soul of life to Sayward. Celebrating the simple power of good music, their performance reflects skill, humour, and sincerity.

Saskia, originally from Holland, performs with positive energy and strong conviction. She has previously toured and performed for 20 years with her late husband Darrel as *The Great Plains* and 10 years backing *Gary Fjellgaard* throughout Canada and Europe.

Nathan is a veteran of the Canadian folk, cowboy, and country music scene. He has worked and recorded with Ian Tyson, Wilf Carter, Cindy Church, Quartette and Diamond Joe White- among others.

Please join us for an evening of fine music, refreshment, and good friends.

Advance tickets to this concert are \$20 per person. Admission at the door is \$25.00. Children 16 and under are admitted free when accompanied by an adult.

Advance tickets for this concert are available at the Fisherboy Store and the Sayward Village office.

2024 Watering Restrictions Stage 2

The Village of Sayward is implementing Stage 2 watering restrictions. This is necessary because current precipitation and groundwater levels are below average. Authority to restrict water usage is set out in Water Regulation Bylaw No. 391. Effective July 4, 2024, the drought level for Vancouver Island is Level 5 which means adverse impacts to socio-economic or ecosystem values are almost certain. The Ministry of Forests anticipates a strong likelihood that very dry conditions could result in critically low stream-flows across the Region.

The following water restrictions are effective from July 4, 2024 to September 30, 2024:

Watering* is only permitted between the following hours on your designated day:

8 AM to 10 AM; and 6 PM to 8 PM

Even Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc. Residences with address numbers ending in an even number (e.g. 110 Dyer Dr.), watering is allowed on **Tuesdays and Saturdays**.

Odd Numbered Homes, Apartment and Condo Buildings, Mobile Homes, etc. Residences with address numbers ending in an odd number (e.g. 111 Dyer Dr.), watering is allowed on **Wednesdays and Sundays**.

**Watering is defined as using lawn irrigation or the use of a sprinkler, soaker or weeper hoses. Hand watering using watering cans or hoses with automatic shut off valves is currently permitted at any time, on any day.*

Parking lot, driveway, and car/boat washing is not permitted.

Water restrictions are intended to ensure that ALL residents receive an adequate supply of water throughout the summer months and that sufficient reserve supplies are available should they be required for emergency firefighting purposes.

Please see the village website for more detailed description of the watering restriction stages: www.sayward.ca
