Subject - Resignation from Village Council

Effective immediately I resign as a Councilor of the Village of Sayward.

First -My Thank You to:

I would like to thank those who voted me in at the previous by-election and the current term.

I would also like to thank the Chief Administrative Officer for his excellent, seasoned, dedicated, and professional work for the village in multiple areas of management responsibility.

I would also like to thank the senior BC government levels for hiring, for a contract term, a very experienced municipal advisor who will be of great value in his professional work.

Second - My Reasons for Resigning:

I have found the excessive number of council meetings with limited productivity over approximately the last 18 months no longer allows me to maintain my health while meeting other obligations personally and professionally.

I look forward to the soon-to-be-scheduled Sayward Village by-election and the success of other individuals elected to serve the community.

Sincerely,

STAFF REPORT

For: Mayor and Council
Prepared by: Janice Aver, Acting CFO
Subject: 2024 Tax Rates Bylaw No. 507, 2024
Meeting date: May 13, 2024

BACKGROUND

The Financial Plan bylaw and Tax Rate bylaw must be approved by Council before May 15 of each year as set out in the *Community Charter*. The 2024 – 2028 Financial Plan was approved by Council at the May 9, 2024 Council meeting. The purpose of this report is to provide to Council the 2024 Tax Rates Bylaw for first, second and third reading.

DISCUSSION

The tax rate bylaw attached to this report establishes tax rates for the Village of Sayward (Village) and for other government agencies for which the Village levies and collects taxes. The variable tax rate system in B.C. levies property tax to owners based on the assessed value of their properties. The annual tax rate is based on the revenue the Village budgets to collect (\$456,492 for 2024) and the assessed values of all the properties in the Village. The assessment data is sourced from the Revised Roll from BC Assessment.

The Village of Sayward must establish rates by bylaw for the Vancouver Island Regional Library services (VIRL), the Strathcona Regional District (SRD), the Comox Strathcona Regional Hospital District (CSRHD), and Comox Strathcona Waste Management services (CSWM). Tax rates for VIRL are based on invoiced amounts to the Village by the Library board as per their adopted financial plan. Similarly, tax rates for the SRD, CSRHD, and CSWM are based on amounts requisitioned to the Village by these entities as per their adopted financial plan.

Property Tax Deferral

Certain residential property owners may be eligible for property tax deferment. Property tax deferment is an existing low interest loan program that helps qualified B.C. homeowners pay their annual property taxes on their principal residence. Homeowners that are 55 or older, a surviving spouse, a person with disabilities, or a family with children may qualify for deferment. Information on property tax deferment can be found on the Village's website here:

Subject: Fees & Charges Amendment Bylaw No. 508, 2024
Meeting date: May 13, 2024

BACKGROUND

DISCUSSION

Council approved Fees & Charges Bylaw No. 451, 2019 on May 7, 2019 as part of the financial planning process. At a minimum, this bylaw is amended annually to amend fees associated to user rates, including water, sewer, and solid waste. Other amendments are also considered from time to time and the Bylaw is then amended accordingly (bylaw can be amended at any time).

For 2024, an amendment to the water, sewer, and solid waste rates is a priority in order to ensure these rates are in place before the property tax process begins around the third week of May.
