

## Village of Sayward

**February 4, 2026**

### **WATER CONSERVATION UPDATE for VILLAGE OF SAYWARD**

We are happy to report that Sayward's Water Treatment Plant, water intake and reservoir are once again operating well. The high turbidity levels seen late week have subsided.

Sayward's Public Works staff will continue to closely monitor the operation of our Water Treatment Plant and the Newcastle Creek water intake.

Thanks, again, to residents for your continued efforts to conserve Sayward's drinking water supplies.

Andrew Young, MCIP, RPP  
Chief Administrative Officer  
Village of Sayward
