

PUBLIC NOTICE – STREET SWEEPING

Village of Sayward residents are advised that municipal street sweeping will take place in the Village on **Tuesday, May 26, 2026, starting at 8:00am** and should take most of the day.

To support effective street sweeping, residents are asked to remove all vehicles from roadways during scheduled sweeping times.

As sweeping crews and equipment move slowly down roadways and around corners, drivers are encouraged to exercise patience and caution when passing.

Street sweeping plays a vital role in protecting the environment. By removing dirt, debris, leaves, and other pollutants from road surfaces, it helps prevent these materials from entering storm drains and nearby waterways.
