Subject: Water Shut Off Notice

Dear Residents of MacMillan Drive, Sayward,

Please be advised that there will be a temporary water shut-off on **Friday, August 21st** to accommodate construction activities.

The water outage will begin at **8:00 a.m.** and may last for up to eight hours. Crews will work to restore water service as quickly as possible.

Once service has been restored, residents are asked to run their cold water tap for approximately 30 seconds before using the water. You may notice temporary discolouration or air in the water lines; this should clear after flushing the tap.

We apologize for any inconvenience this may cause and sincerely appreciate your patience, understanding, and cooperation.

If you have any questions, please reach out to:

Anton Yacoboski
Site Superintendent
