

EXPLANATORY NOTES TO PROCEDURE BYLAW

The provisions contained in the Procedure Bylaw fit into four different categories of legislative authority contained in the *Community Charter*.

The four categories of provision contained in the Procedure Bylaw are as follows:

1. **Mandatory** -- The provisions contained in this category are required by the *Community Charter*. Unless otherwise identified, all provisions in the bylaw are mandatory. Some mandatory provisions contain blanks for information to be added as specified;
2. **Optional** -- These are provisions which a council may choose not to include. For example, providing for special council meetings to be conducted electronically or having a council or council committee member attend a council meeting or council committee meeting through electronic or other communication facilities is an optional provision found at section 8 of the Procedure Bylaw;
3. **Mandatory with Required Content** -- The provisions contained in this category are required by the *Community Charter*, however, they are general in the *Community Charter* and must be particularized. For example, the requirement in the *Community Charter* to give notice of special meetings is general and should be particularized by specifying the specific locations in the municipality where copies of the notice must be posted or left;
4. **Mandatory with Optional Content** -- The provisions contained in this category are mandatory but their content is optional. For example, s. 124 of the *Community Charter* makes it mandatory for councils to establish general procedures to be followed by council and council committees in conducting their business and councils must establish the rules of procedure for their council meetings and their meetings of council committees. However, the *Community Charter* does not prescribe the specific details of those rules and procedures and therefore, although there should be some provision related to the general topic, the content is optional. These provisions are found at sections 13 to 29 of the Procedure Bylaw.

There are other rules which apply to council meetings and other bodies as prescribed in s. 93 of the *Community Charter* which are not contained in the Procedure Bylaw. These are powers which spring directly from the *Community Charter* and specify a rule or procedure where Council has no discretion. For example, the rules contained at sections 89 to 93 regarding open meetings are not repeated in the bylaw but may be appended to the bylaw for convenient reference as suggested in section 10 of the Procedure Bylaw. The sections relevant to a provision are indicated in a box in the left margin next to the section.
