

Sayward Daycare Initiative – Meeting

Exciting news - If you have a trade or technical construction designation, you are invited to attend a meeting to discuss the possibility of Sayward's new Daycare initiative. This meeting is only open for trades and technical staff. Attendance will satisfy the social procurement step that will be required before any and all bids will be tendered. We are looking for your input, here is your chance to shape this important new service for the Sayward area.

- Meeting Purpose:** To get technical input from local trades and technical staff on a building for daycare services in the Sayward area.
- Date:** Monday July 8, 6:30 to 7:30
- Location:** Kelsey Centre multipurpose room, Sayward
- Participants:** Please note this meeting is only open for trades and technical staff/companies.
- Other info:** Childcare will be provided

For those unable to attend this meeting, there will still be an open bidding process with a social procurement component added onto the process.
